CLAIMS

1. A topical cosmetic composition comprising an oil obtained from the seeds of the Synsepalum dulcificum (miracle fruit) as an active ingredient in the composition, and optionally at least one of a cosmetically acceptable additive, excipient, or carrier, wherein the seeds are extracted by supercritical liquid or with one or more nonpolar solvent for obtaining an oil of 99.5% purity.
2. The topical cosmetic composition of claim 1, being formulated as at least one of a lotion, gel, liquid, oil, foam, paste, spray, cream, ointment, emulsion, or gelatinous elastomer.
3. The topical cosmetic composition of any one of claim 1 or 2, the oil obtained from the seeds of the Synsepalum dulcificum is comprising 43 wt. % to 46 wt. % palmitic acid, 32 wt. % to 34 wt. % oleic acid, and 18 wt. % to 21 wt. % linoleic acid.
4. The topical cosmetic composition of claim 3, the oil obtained from the seeds of the Synsepalum dulcificum further comprising at least one hydrocarbon, triterpene alcohol, or sterol.
5. The topical cosmetic composition of any one of the claims 1 to 3, comprising 0.01 wt. % to 98 wt. % of the oil obtained from the seeds of the Synsepalum dulcificum.
