FIG. 2

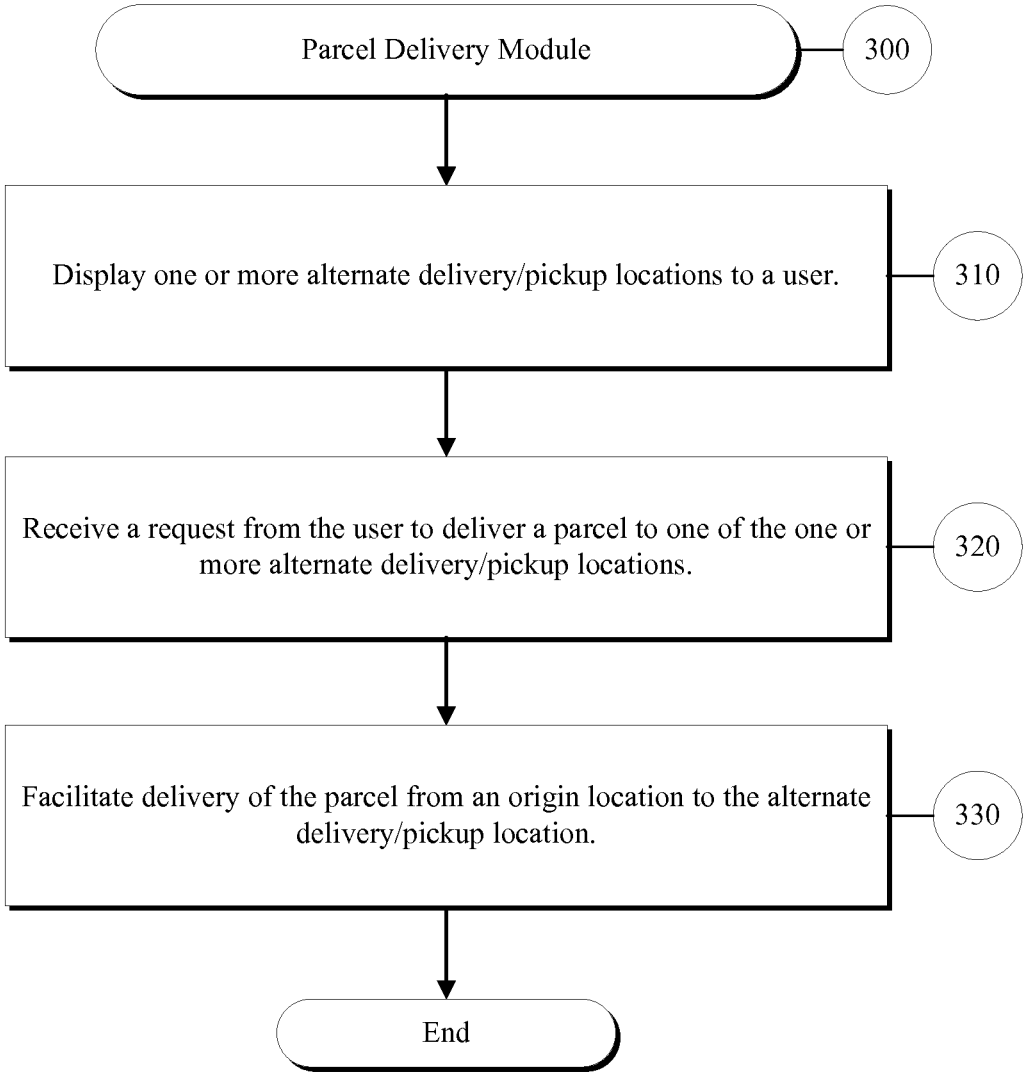

Parcel Delivery Module
300
Display one or more alternate delivery/pickup locations to a user.
310
Receive a request from the user to deliver a parcel to one of the one or more alternate delivery/pickup locations.
320
Facilitate delivery of the parcel from an origin location to the alternate delivery/pickup location.
330
End

FIG. 3

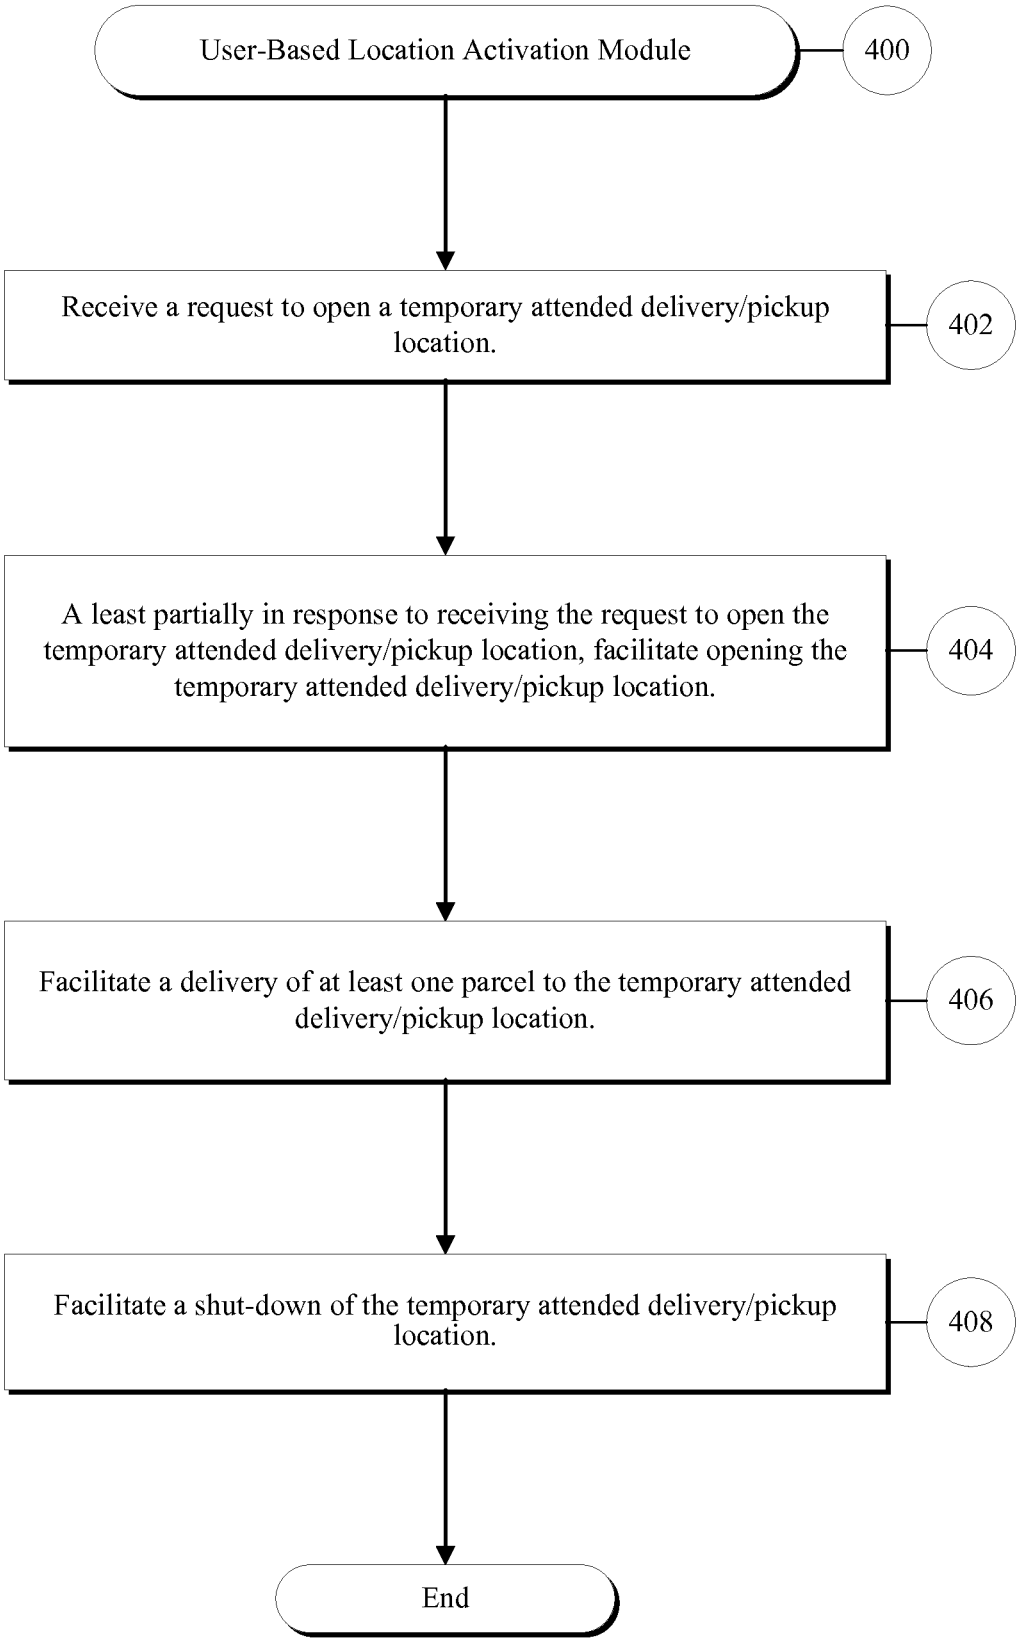

User-Based Location Activation Module
400
Receive a request to open a temporary attended delivery/pickup location.
402
A least partially in response to receiving the request to open the temporary attended delivery/pickup location, facilitate opening the temporary attended delivery/pickup location.
404
Facilitate a delivery of at least one parcel to the temporary attended delivery/pickup location.
406
Facilitate a shut-down of the temporary attended delivery/pickup location.
408
End

FIG. 4

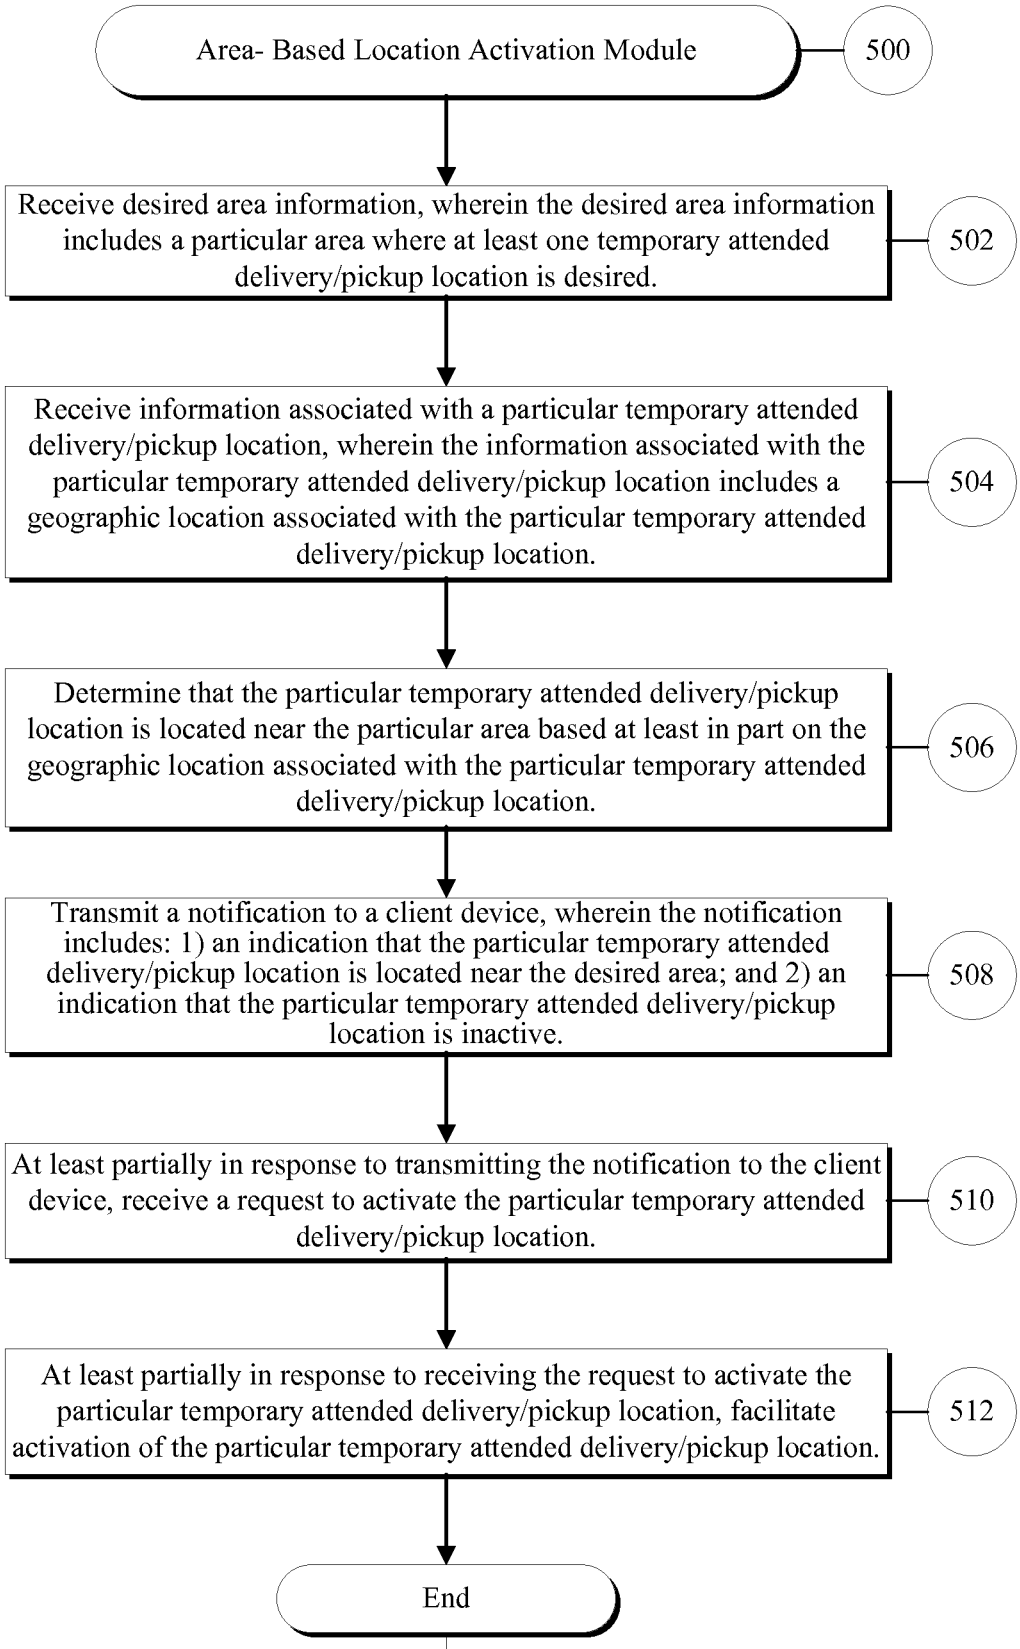

Area- Based Location Activation Module
500
Receive desired area information, wherein the desired area information includes a particular area where at least one temporary attended delivery/pickup location is desired.
502
Receive information associated with a particular temporary attended delivery/pickup location, wherein the information associated with the particular temporary attended delivery/pickup location includes a geographic location associated with the particular temporary attended delivery/pickup location.
504
Determine that the particular temporary attended delivery/pickup location is located near the particular area based at least in part on the geographic location associated with the particular temporary attended delivery/pickup location.
506
Transmit a notification to a client device, wherein the notification includes: 1) an indication that the particular temporary attended delivery/pickup location is located near the desired area; and 2) an indication that the particular temporary attended delivery/pickup location is inactive.
508
At least partially in response to transmitting the notification to the client device, receive a request to activate the particular temporary attended delivery/pickup location.
510
At least partially in response to receiving the request to activate the particular temporary attended delivery/pickup location, facilitate activation of the particular temporary attended delivery/pickup location.
512
End
