CLAIMS

1. A drug-dissolved non-aqueous liquid composition comprising a drug, dioleylphosphatidylcholine, tocopherol and an organic solvent selected from ethanol, propylene glycol, glycerin, polyethylene glycol, benzyl alcohol, dimethylacetamide and dimethylsulfoxide, wherein

1) the blend concentration ratio between said dioleylphosphatidylcholine and said tocopherol falls within the range of 75/25 to 25/75,

2) the blend concentration of said dioleylphosphatidylcholine falls within the range of 15 to 85% (w/w),

3) the blend concentration of said tocopherol falls within the range of 15 to 85% (w/w), and

4) the phase of the non-aqueous liquid composition changes into a non-lamellar liquid crystal upon contact with water, a phosphate buffer, a body fluid, a lacrimal fluid or a vitreous fluid.

2. ~~A~~ The drug-dissolved non-aqueous liquid composition according to claim 1 ~~comprising a drug, dioleylphosphatidylcholine, tocopherol and an organic solvent~~, wherein

1) the blend concentration ratio between said dioleylphosphatidylcholine and said tocopherol falls within the range of 70/30 to 30/70,

2) the blend concentration of said dioleylphosphatidylcholine falls within the range of 20 to 80% (w/w), and

3) the blend concentration of said tocopherol falls within the range of 20 to 80% (w/w), ~~and~~

~~4) the non-aqueous liquid composition changes into a non-lamellar liquid crystal upon contact with water, a phosphate buffer, a body fluid, a lacrimal fluid or a vitreous fluid.~~

3. The non-aqueous liquid composition according to claim 1 or 2, wherein said organic solvent is ethanol, benzyl alcohol, polyethylene glycol or dimethylacetamide.

~~4. The non-aqueous liquid composition according to claim 2, wherein said organic solvent is ethanol, benzyl alcohol, polyethylene glycol or dimethylacetamide.~~

~~5~~4. An injectable solution comprising the non-aqueous liquid composition according to any one of claims 1 to ~~4~~3.

~~6~~5. An ophthalmic preparation comprising the non-aqueous liquid composition according to any one of claims 1 to ~~4~~3.
