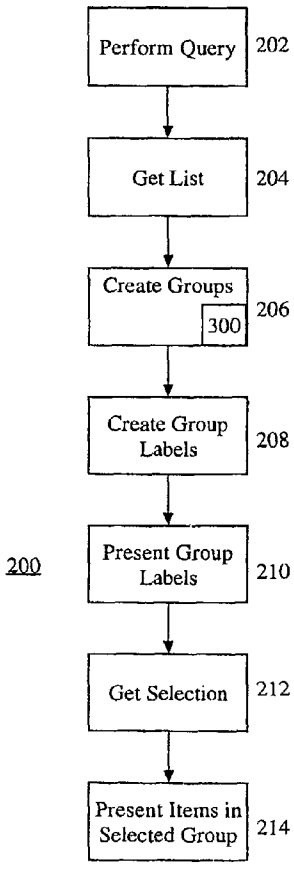
(54) Title: COMPRESSED LIST PRESENTATION FOR SPEECH USER INTERFACES



(57) Abstract: A list presentation method. The list presentation method can include the steps of: dynamically grouping selected items in a list based on features in the items which are common to one another; labeling each group of selected items; audibly presenting each group label through a speech user interface; and, responsive to a selection of one of the presented group labels, presenting through the speech user interface items in a group corresponding to the selected group label.
