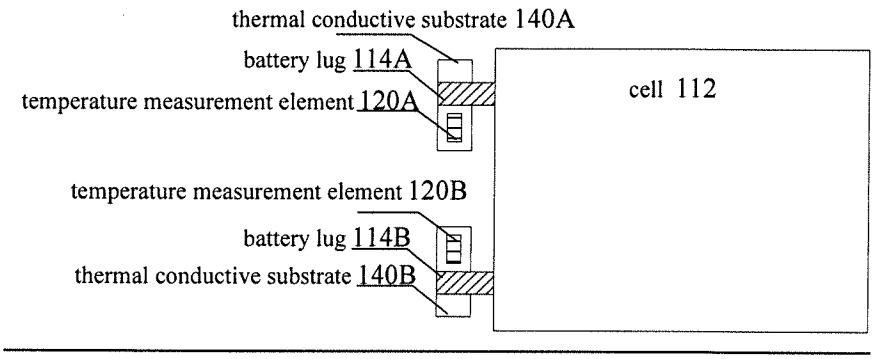
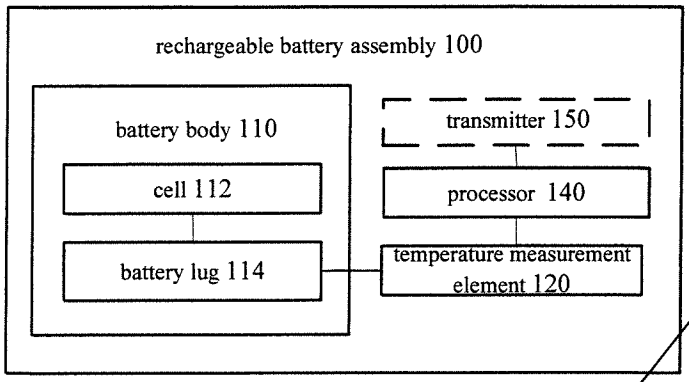
rechargeable battery assembly 100
battery body 110
cell 112
battery lug 114
transmitter 150
processor 130
temperature measurement element 120

Fig. 1



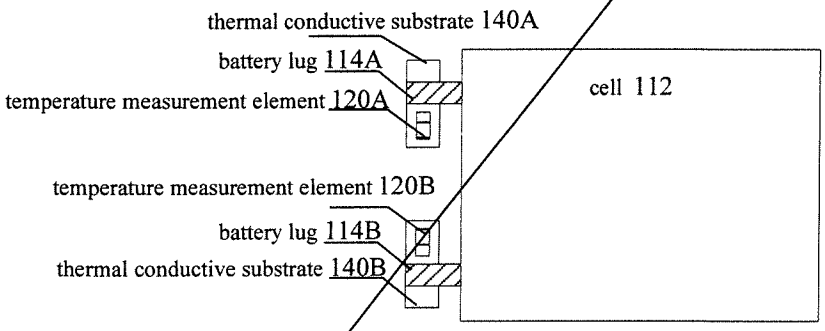
thermal conductive substrate 140A
battery lug 114A
temperature measurement element 120A
temperature measurement element 120B
battery lug 114B
thermal conductive substrate 140B
cell 112

Fig. 2



rechargeable battery assembly 100
battery body 110
cell 112
battery lug 114
transmitter 150
processor 140
temperature measurement element 120

Fig. 1



thermal conductive substrate 140A
battery lug 114A
temperature measurement element 120A
cell 112
temperature measurement element 120B
battery lug 114B
thermal conductive substrate 140B
