ABSTRACT

5 PENCIL CASE WITH PILLOW STAND AND OTHER FUNCTIONS

10 An elongate pencil case, which is fitted with a pillow stand inside the
elongate pencil case wherein the pencil case can be used as a container
for pencils, pens and stationery items and as a pillow for resting the hands
and head of a user. Alternatively, the pillow stand can be taken out for use
as a pillow and the pencil case continued to be used for keeping stationery
items.

15

The pillow stand has additional functions with a LED light and LED alarm
clock to further assist the user to wake up and to see in the dark upon
awakening.
