

ABSTRACT

MAINTENANCE CONTRACT FEE CALCULATION SYSTEM

A maintenance contract fee calculation system 1 calculates a maintenance contract fee for an air conditioner 30 including an indoor unit 31 and an outdoor unit 32. The maintenance contract fee calculation system 1 includes: an acquisition unit 11 that obtains first environmental information related to an installation environment of the indoor unit 31 and second environmental information related to an installation environment of the outdoor unit 32; and a calculation unit 12 that calculates the maintenance contract fee in accordance with the first environmental information and the second environmental information.
