FIG. 7G

A screenshot of a mobile application interface for 'B'Gock Service'. At the top, there is a header box containing the text 'B'Gock Service'. Below the header, the text 'SIGN IN' is centered. Underneath, there are two input fields: the first contains the text 'demo' followed by a placeholder '<user name>', and the second contains a series of asterisks '*****' followed by a placeholder '<password>' and an '@' icon. Below the password field is a checkbox labeled 'Remember my username'. At the bottom, there is a large rectangular button labeled 'LOG IN'.

700j (Device 60c)

FIG. 7J

A screenshot of a mobile application interface for 'B'Gock Service'. At the top, there is a header box containing the text 'B'Gock Service'. Below the header, the text 'APSP AUTHENTICATOR (PUSH) REGISTRATION' is centered. Underneath, there are three stacked rectangular buttons: the top button is labeled 'REGISTER SERVICE USING ENABLED DEVICE', the middle button is labeled 'GET THE APP', and the bottom button is labeled 'SKIP THIS STEP'.

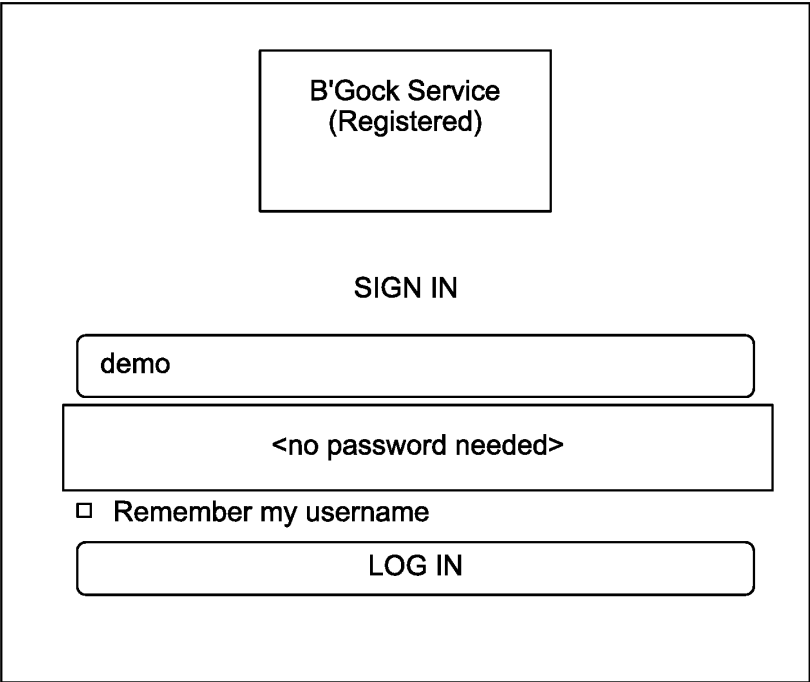

FIG. 7M

A screenshot of a device registration success screen. At the top, there is a box containing the text "B'Gock Service (Registered)". Below this, the text "DEVICE REGISTRATION SUCCESSFUL" is displayed in all caps. Underneath, a message reads "Your device has been successfully registered." At the bottom, there is a single button labeled "OK".

700p (Device 60c)

FIG. 7P

A screenshot of a sign-in screen. At the top, there is a box containing the text "B'Gock Service (Registered)". Below this, the text "SIGN IN" is displayed in all caps. Underneath, there is a text input field containing the text "demo". Below the input field, there is a button labeled "<no password needed>". Below the button, there is a checkbox labeled "Remember my username". At the bottom, there is a button labeled "LOG IN".
