WHAT IS CLAIMED IS:

1. A cosmetic composition comprising a mixture of a *Ceratonia siliqua* fruit extract containing methylinositol and a *Tillandsia usneoides* extract containing betaine as an active ingredient.

2. The cosmetic composition as claimed in claim 1, wherein the *Ceratonia siliqua* fruit extract is an ethanol extract of *the Ceratonia siliqua* fruit.

3. The cosmetic composition as claimed in claim 1, wherein the *Tillandsia usneoides* extract is an ethanol extract of the *Tillandsia usneoides*.

4. The cosmetic composition as claimed in claim 2, wherein the mixing ratio of the *Ceratonia siliqua* fruit extract to the *Tillandsia usneoides* extract is 1:1 by weight.

5. The cosmetic composition as claimed in claim 1, wherein the cosmetic composition further comprises at least one selected from vitamin C and dipalmitoyl hydroxyproline.

6. The cosmetic composition as claimed in claim 5, wherein the vitamin C is contained in an amount of 0.001 to 30.0 wt.% with respect to the total weight of the composition.

7. The cosmetic composition as claimed in claim 5, wherein the dipalmitoyl hydroxyproline is contained in an amount of 0.001 to 30.0 wt.% with respect to the total weight of the composition.

8. The cosmetic composition as claimed in claim 1, wherein the *Ceratonia siliqua* fruit extract containing the methylinositol is contained in an amount of 0.03 to 25 wt.% with respect to the total weight of the composition.

9. The cosmetic composition as claimed in claim 1, wherein the tillandsia usneoides extract is contained in an amount of 0.01 to 25 wt.% with respect to the total weight of the composition.

10. The cosmetic composition as claimed in any one of claims 1 to 9, wherein the cosmetic composition is for strengthening skin elasticity.

11. The cosmetic composition as claimed in any one of claims 1 to 9, wherein the cosmetic composition is for improving skin wrinkles.

12. The cosmetic composition as claimed in any one of claims 1 to 9, wherein the cosmetic composition is for moisturizing the skin.
