— *with international search report (Art. 21(3))*

— *before the expiration of the time limit for amending the claims and to be republished in the event of receipt of amendments (Rule 48.2(h))*

WO 2014/064423 A1

(54) **Title**: DRUG-PROTEIN CONJUGATES

(57) **Abstract**: Specific conjugates containing auristatins and a binding protein or peptide, and processes for making them, are described. The conjugates use specific linker technology which gives advantages over known antibody-drug conjugates. Also described are specific conjugates of drugs and a binding protein or peptide in which more than one copy of the drug is present.
