A diagram showing a table structure. The table has a thick black border and is divided into eight horizontal sections. The first section is labeled "Destinaiton Floor Table" (note the typo). The second section is labeled "Floor Data". The remaining six sections contain the numbers 1, 2, 3, 4, 5, and 6, respectively. To the right of the table, the label "T2" is positioned with a curved arrow pointing to the top right corner of the table's border.
