FIG. 2

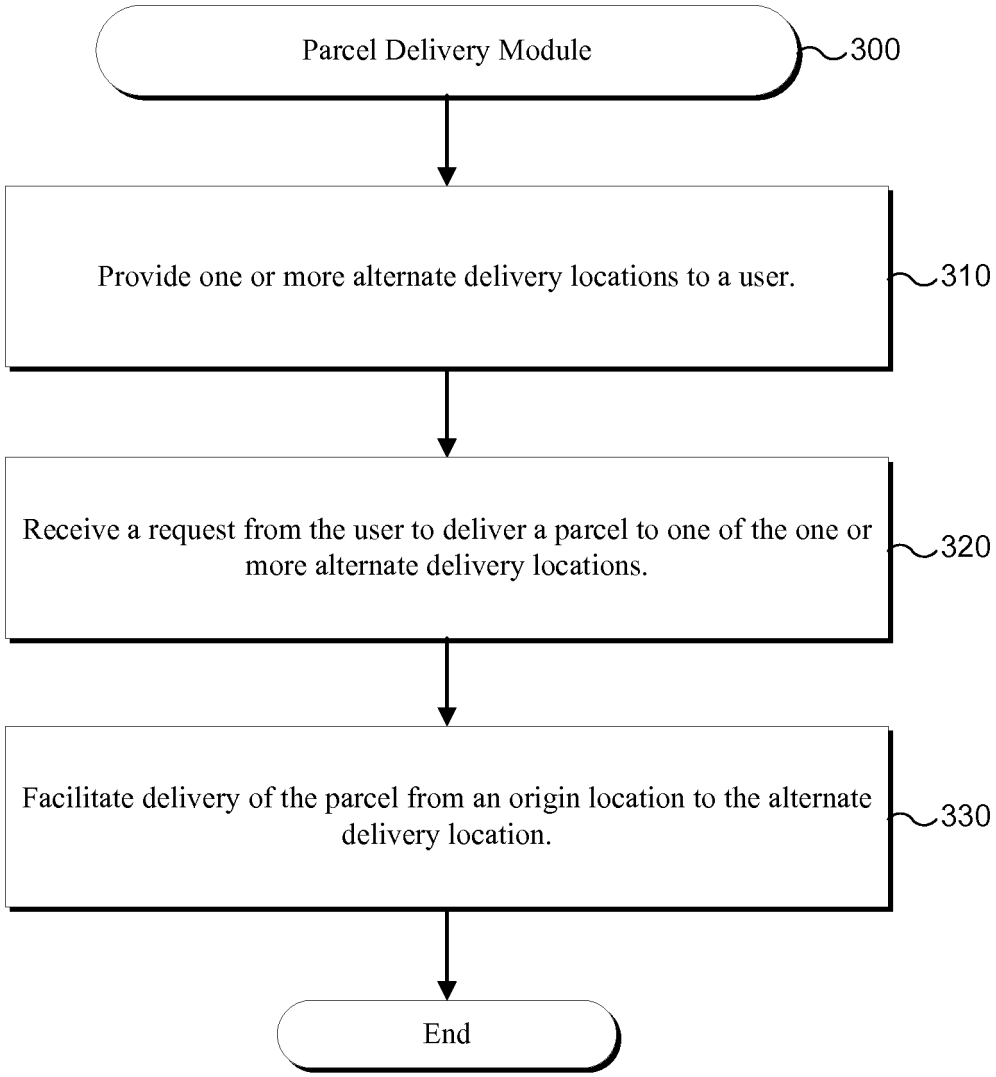

Parcel Delivery Module
300
Provide one or more alternate delivery locations to a user.
310
Receive a request from the user to deliver a parcel to one of the one or more alternate delivery locations.
320
Facilitate delivery of the parcel from an origin location to the alternate delivery location.
330
End

FIG. 3

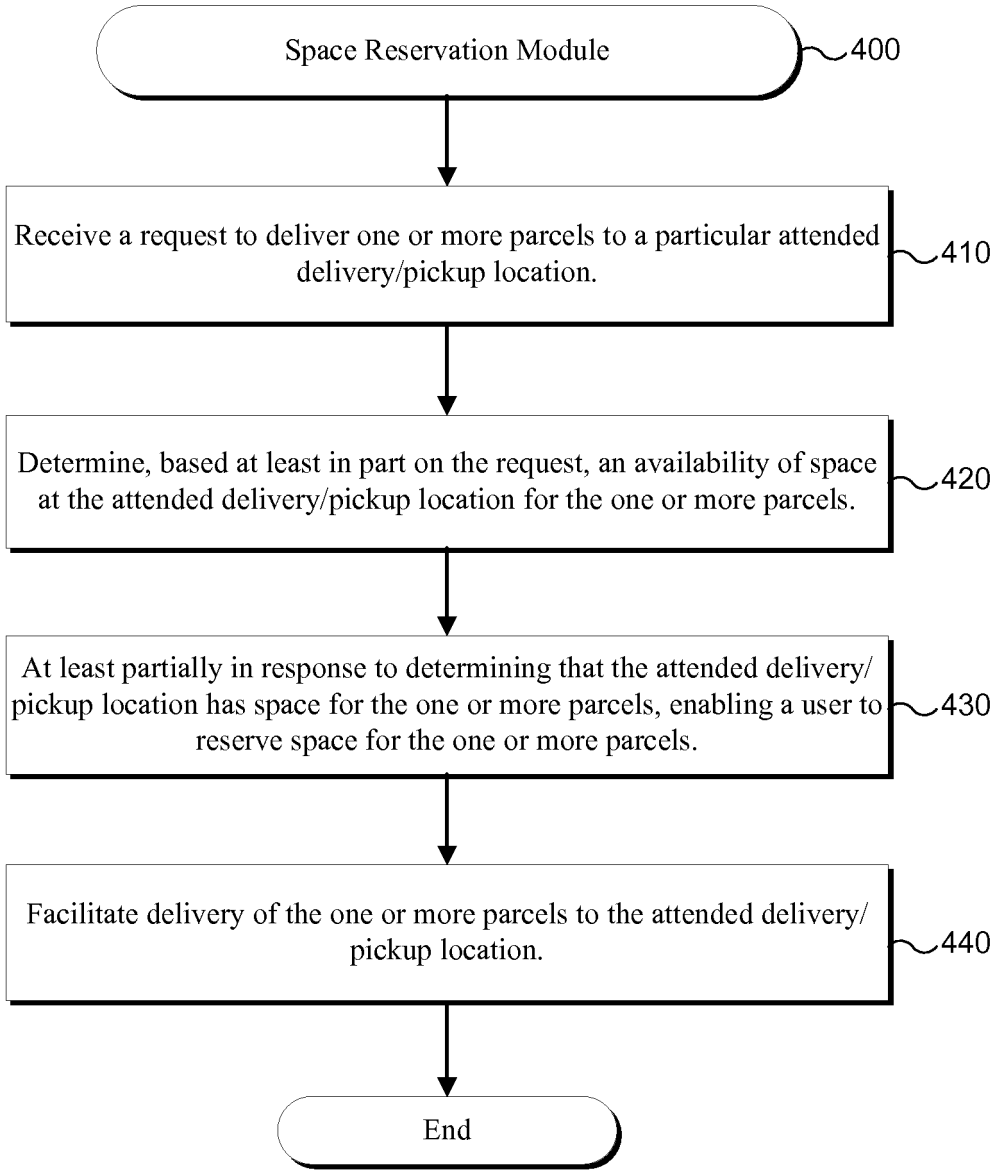

Space Reservation Module
400
Receive a request to deliver one or more parcels to a particular attended delivery/pickup location.
410
Determine, based at least in part on the request, an availability of space at the attended delivery/pickup location for the one or more parcels.
420
At least partially in response to determining that the attended delivery/pickup location has space for the one or more parcels, enabling a user to reserve space for the one or more parcels.
430
Facilitate delivery of the one or more parcels to the attended delivery/pickup location.
440
End
