(54) Title: COMPUTER AIDED DESIGN SYSTEM, APPLICATION, AND APPLICATION PROGRAMMING INTERFACE

FIG. 5

(57) Abstract: Described herein are various systems, devices, methods, and servers including but not limited to a system implementing a computer aided design application and an associated computer aided design application programming interface and scripting language, a client device implementing a computer aided design application programming interface and scripting language both associated with a computer aided design application, a first method, operational at a client device, implementing a computer aided design application programming interface and scripting language both associated with a computer aided design application, a server implementing computer aided design application and an associated computer aided design application programming interface and scripting language, and a second method, operational at a server, implementing a computer aided design application and an associated computer aided design application programming interface and scripting language.
