

[Fig. 1]

changes in blood growth hormone concentration
(mean $\pm$ standard deviation)

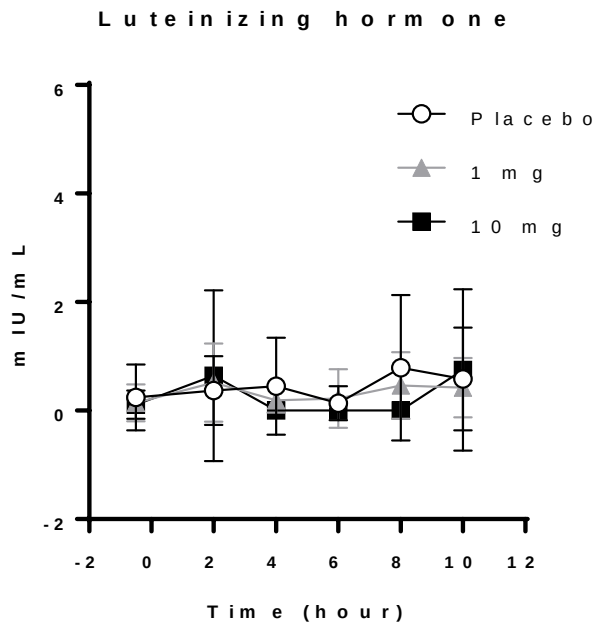

[Fig. 2]

changes in blood follicle-stimulating hormone
concentration (mean $\pm$ standard deviation)

[Fig. 3]

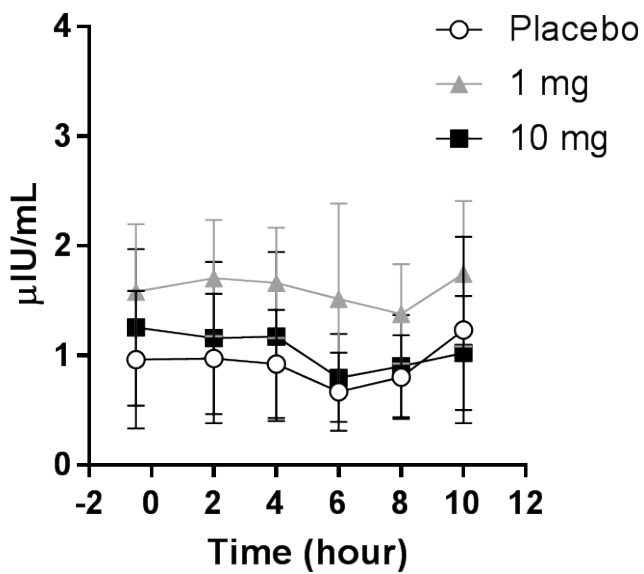

changes in blood luteinizing hormone concentration (mean $\pm$ standard deviation)

[Fig. 4]

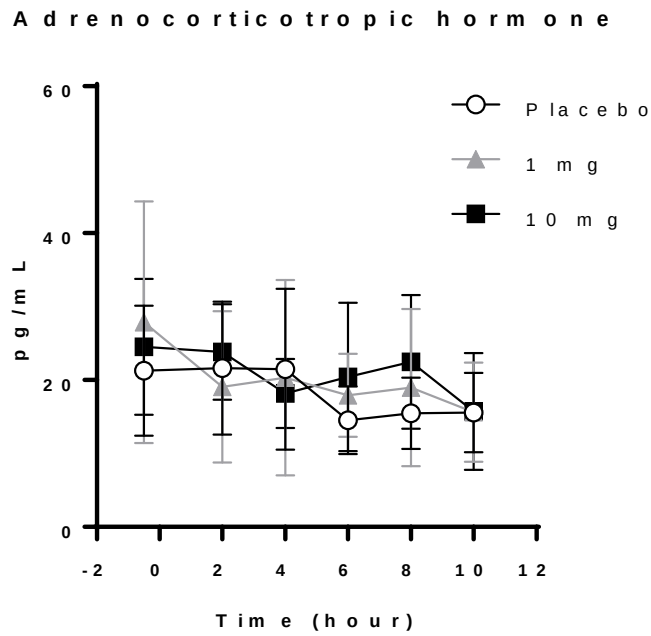

changes in blood thyroid-stimulating hormone concentration (mean $\pm$ standard deviation)

Thyroid-stimulating hormone

[Fig. 5]

**changes in blood adrenocorticotrophic hormone
concentration (mean±standard deviation)**

[Fig. 6]

**changes in blood prolactin hormone concentration
(mean±standard deviation)**
