FIG.2

**Plasma Bile acids (umol/L)**

3/5

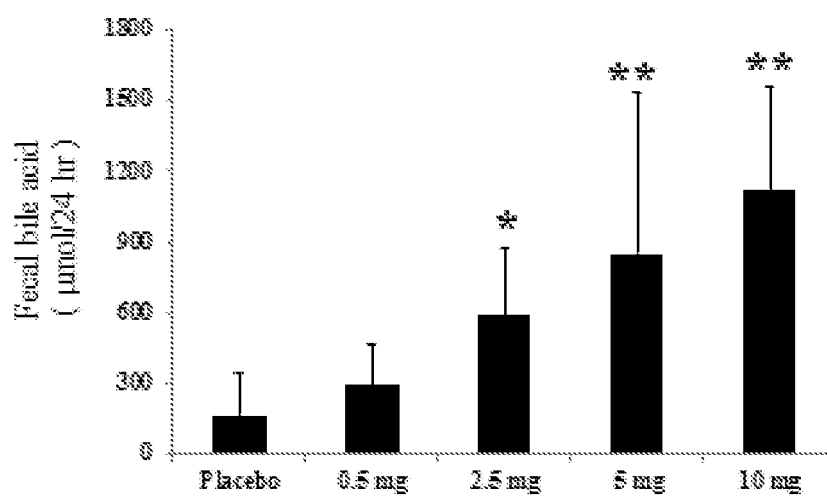

FIG.3

LUM001 decreases serum bile acids AUC 0-15 hr in study NB4-02-06-003  
(measured on day 14; \* p < 0.05, \*\* p < 0.01 compared to placebo )

4/5

FIG.4

LUM001 increases the mean daily total fecal bile acids in study NB4-02-06-003 (measured between day 23-28; \*  $p < 0.05$ , \*\*  $p < 0.01$  compared to placebo)
