ance Notes on Codes and Abbreviations" appearing at the begin-
ning of each regular issue of the PCT Gazette.

(54) Title: MOBILE ROLL FORMER ASSEMBLY

(57) Abstract: A portable roll former assembly (9) that can be transported to a building site of a structure (5) under construction and operated at the site to roll form profiled decking sheets and to deliver the sheets onto an elevated section of the structure (7) at or near to the required locations for the sheets in the construction of the structure, which roll former assembly includes (a) a roll former (41) that can be tilted from a transport position to an inclined position and operated to roll form profiled decking sheets of a required length and (b) a support structure (25) that can support and guide the profiled decking sheets upwardly from the roll former onto the elevated section of the structure.
