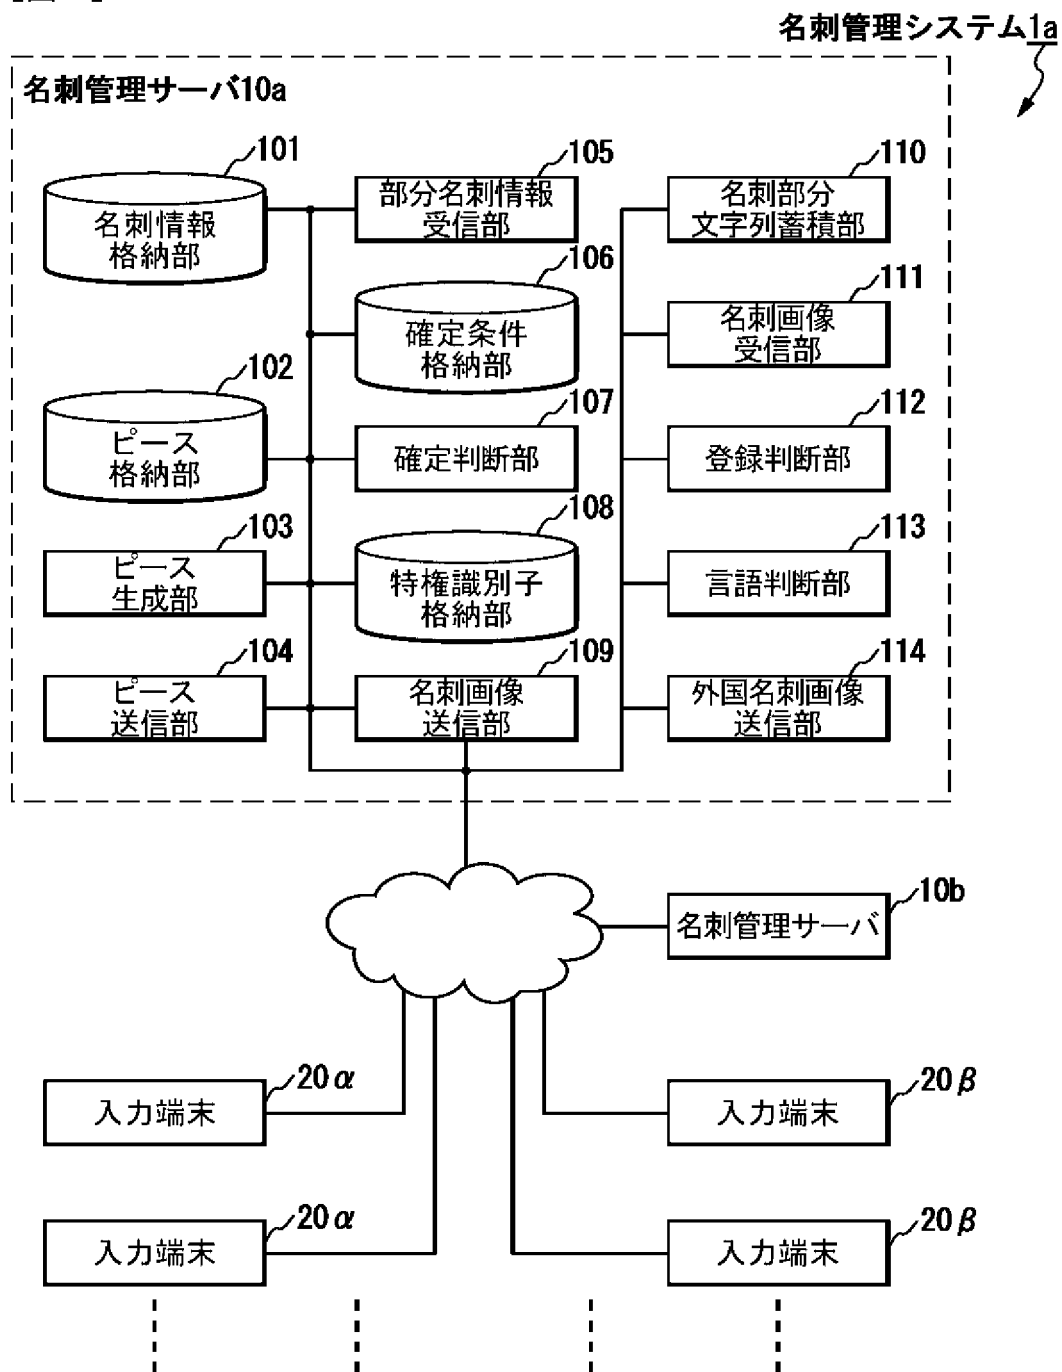

Figure 17 illustrates a user interface for a search system, likely a patent search application. The interface is displayed within a window 144, which is part of a larger system 207a.

The interface is divided into two main sections:

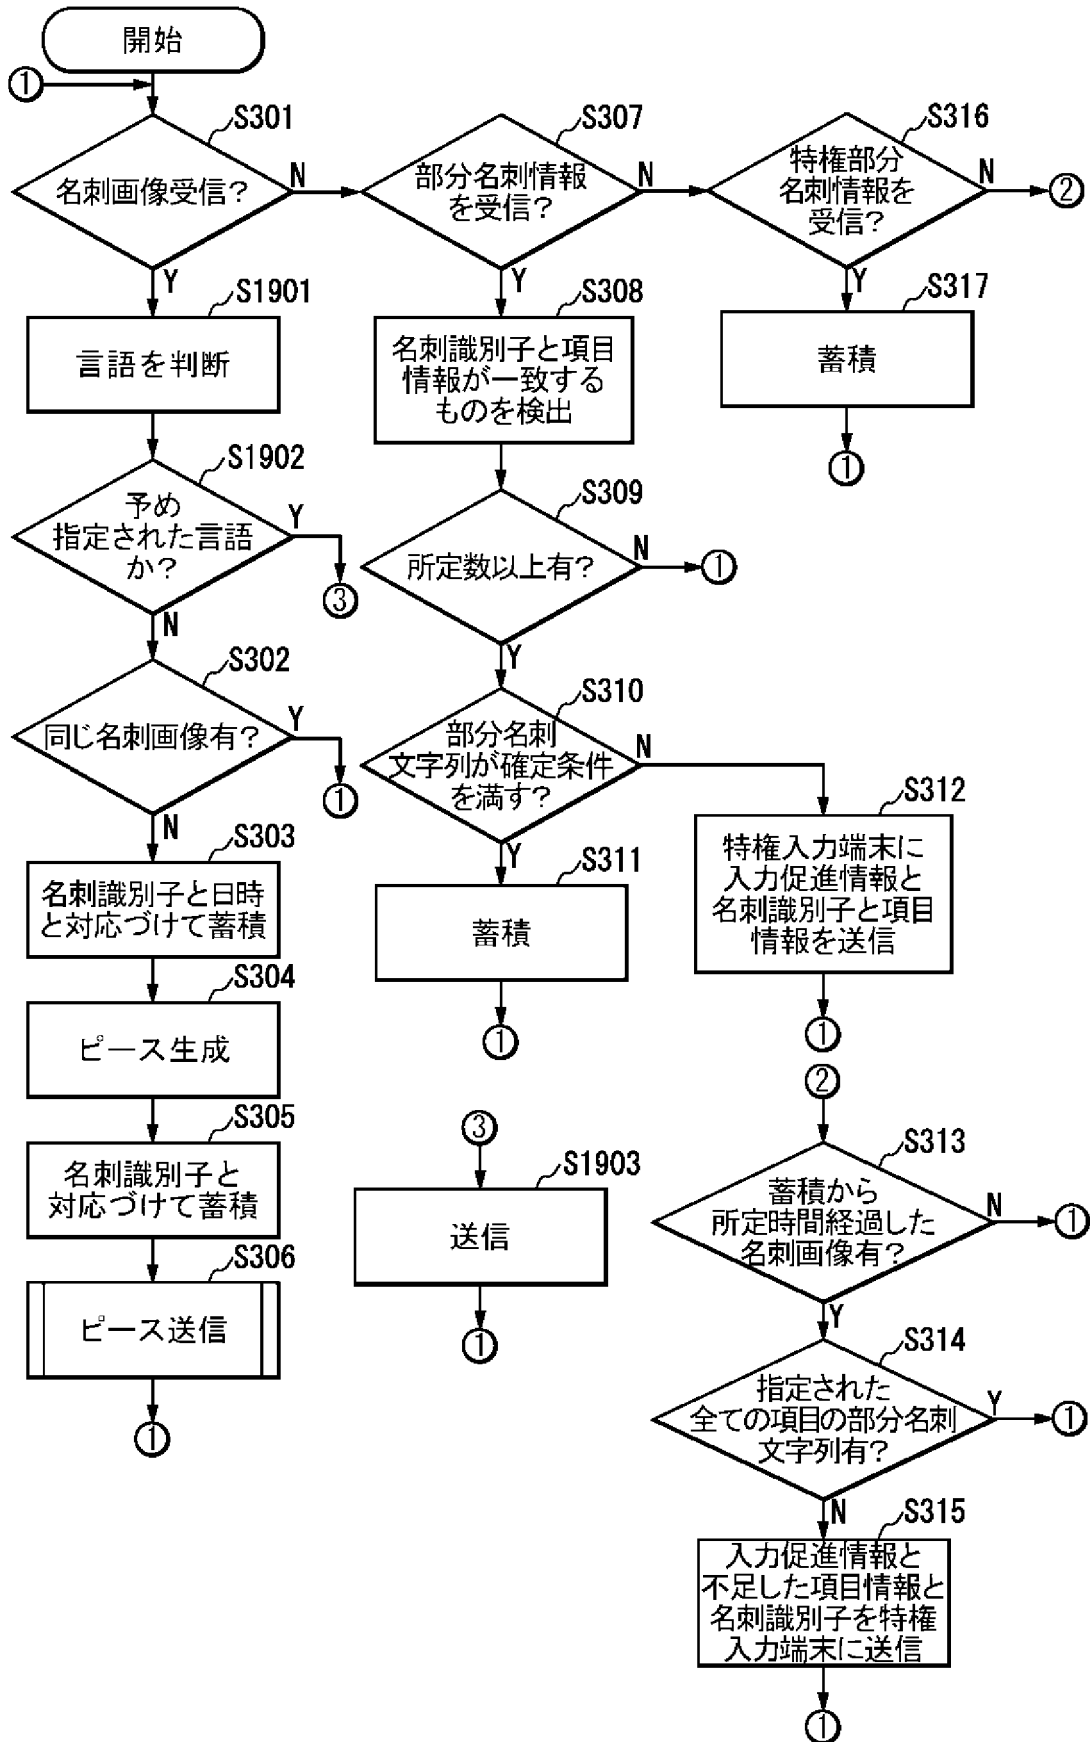

- Search Card (171):** This section displays the search results for a specific entry. It includes a logo (a stylized 'PS' inside a diamond shape), the name **鈴木 太郎** (Suzuki Taro), and the company name **特許検索株式会社** (Tokusho Kousaku Co., Ltd.). Below the company name, there is contact information: a phone number (〒150-0001 東京都渋谷区 神宮前...), a fax number (TEL.03-654... FAX.03...), and an email address (taro_suzuki@to<<yoke...).
- Search Form (141):** This section allows the user to refine or execute a search. It contains a text input field labeled **文字列** (Text string) and a dropdown menu labeled **項目** (Item). The dropdown menu currently shows **姓** (Surname). The input field is labeled 172.

At the bottom of the window 144, there are two buttons: **キャンセル** (Cancel) and **完了** (Complete/End).
