Dear Sirs,

**RE: RECORDAL OF CHANGE OF ADDRESS FOR PATENT NO. P183/91  
CORRESPONDING TO EPO PATENT NO. 0117908 IN SINGAPORE  
- DISCOVISION ASSOCIATES**

We refer to our letter of 25th November 1994 lodging certified copy of an extract from the official UK database of patents (the "OPTICS" database) on the change of address of the proprietor, Discovision Associates :

From: 2183 Fairview Road Suite 211, Costa Mesa, California 92628, United States of America

To : 2355 Main Street Suite 200, Irvine, California 92714, United States of America.

We had also on 1st July 1995 spoke to Ms Ainah who confirmed that a notification on the recordal of change of address would be forwarded to us in due course. As we have to-date not received the notification, we would appreciate receiving the same shortly as the matter is outstanding for a considerable period of time.
