

ABSTRACT OF THE DISCLOSURE
HYDROLYSATE OF WATER EXTRACT OF *SYZYGIUM SAMARANGENSE*,
AND PREPARATION PROCESS AND USE THEREOF

Disclosed herein are a hydrolysate of water extract
5 of *Syzygium samarangense* and a preparation process
thereof. Also disclosed herein is a composition which
comprises the hydrolysate of water extract of *Syzygium*
samarangense. The composition is suitable for whitening
skin, enhancing the moisture-retaining capacity of skin,
10 improving wound healing, and reducing oxidative stress.

FIG. 1 is suggested for publication.
