Potential Claims

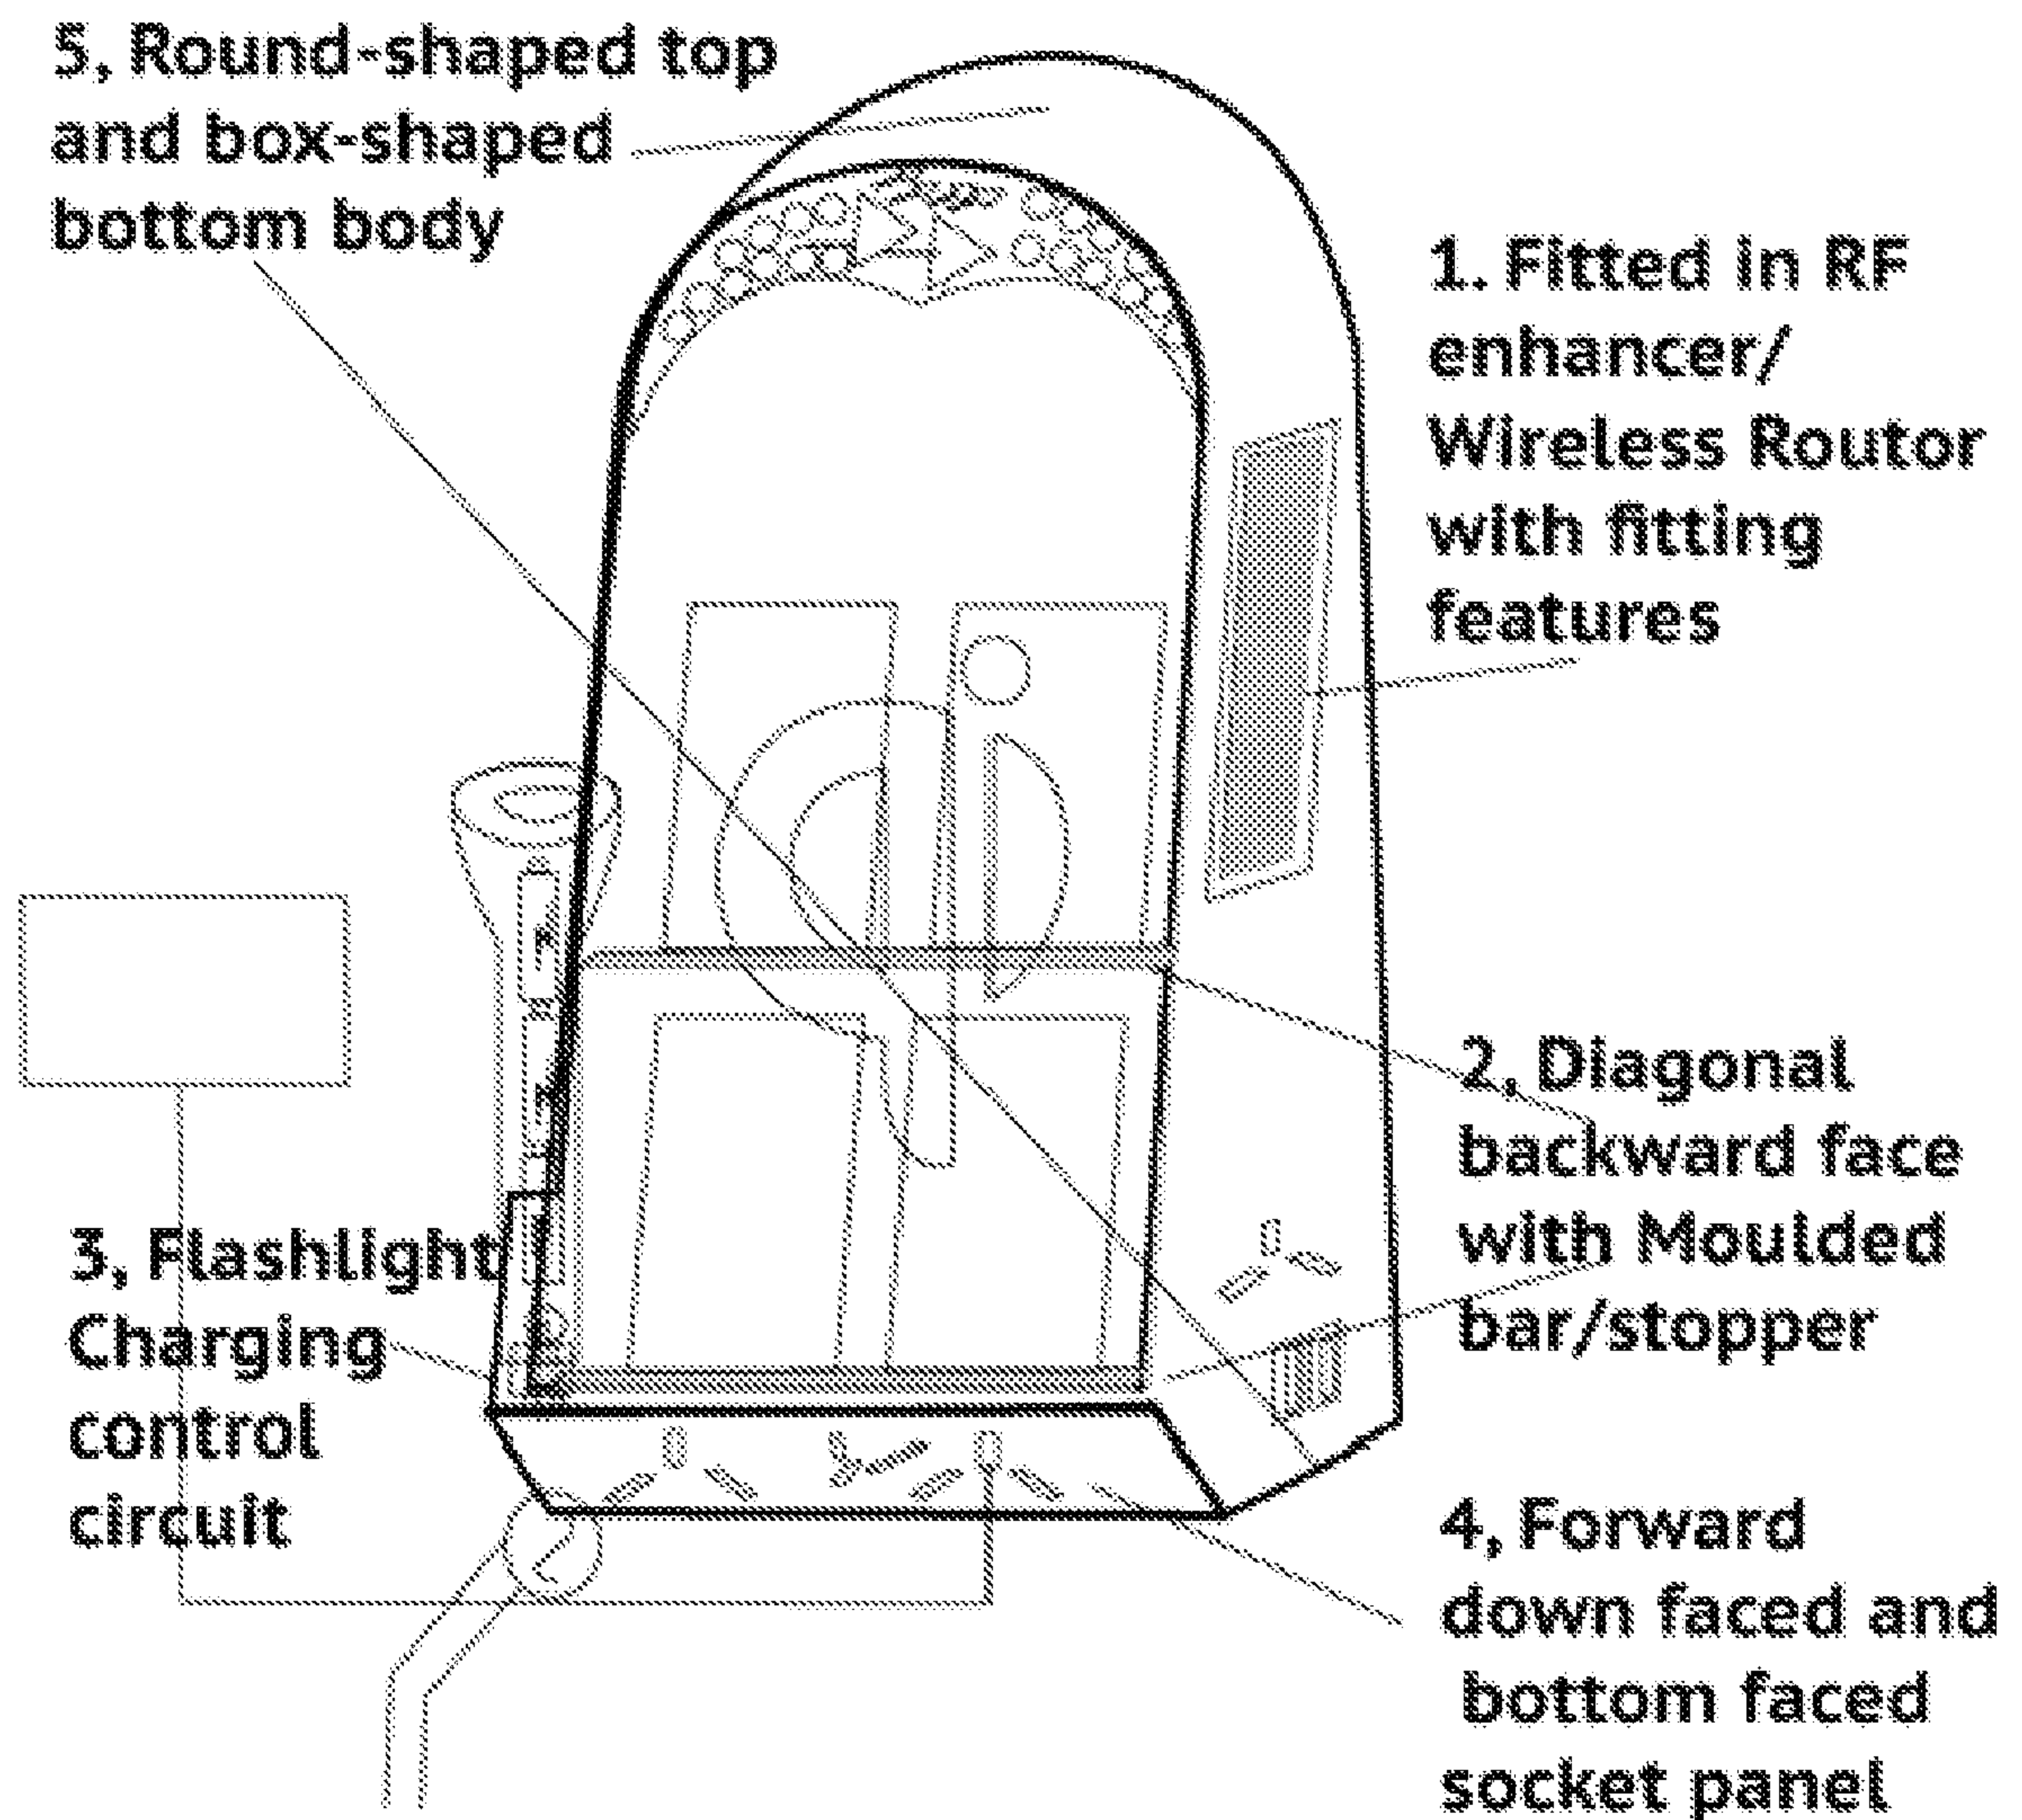

FIGURE 5

1), To install the removable unit by pressing 'Spring lock/stopper' upward before pushing the body inward against the spring 1 which pushes the body into the fit in notch, while the spring safety lock keeps the body in place:

2), Springs of 2,3 hold the removable unit in place in the notch;

3), To remove the unit, first unlock the 'Spring safety lock/stopper' before pushing the body against spring 1 and lift the body up before spring 1 bounces the body outward.
