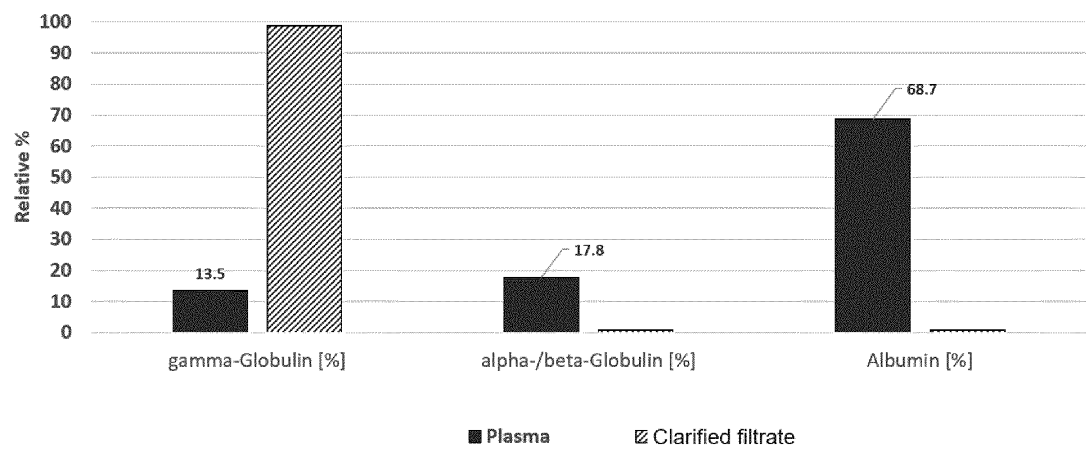

FIGURE 7

IgG Yield at different OA amount, different pH and constant ion strength

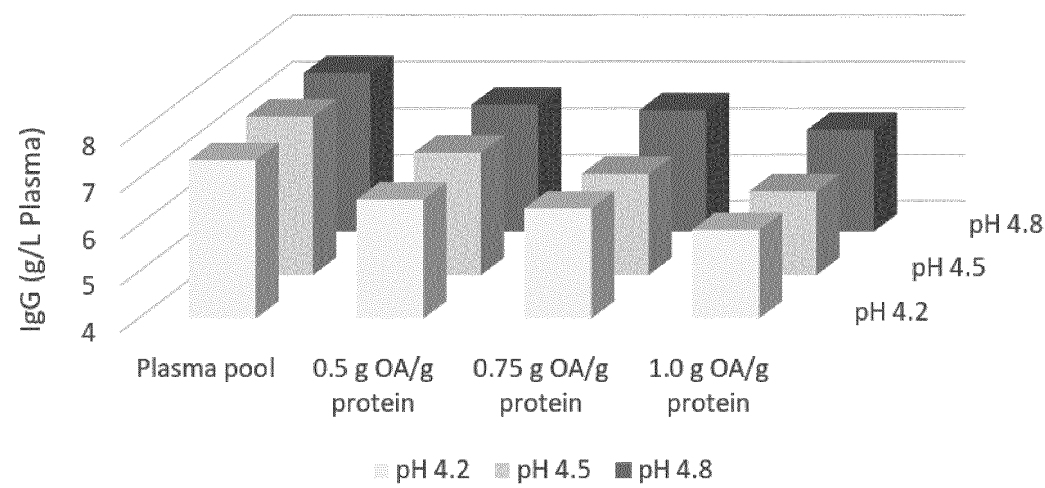

FIGURE 8

Precipitation of Albumin at different OA amount and different pH at constant ion strength

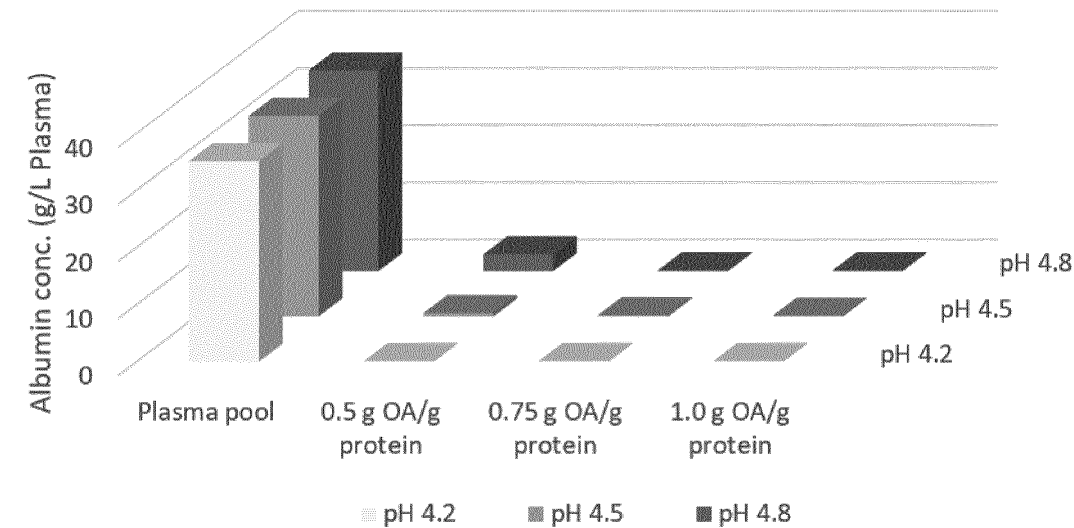

FIGURE 9

Yield IgG, Albumin, IgA und IgM

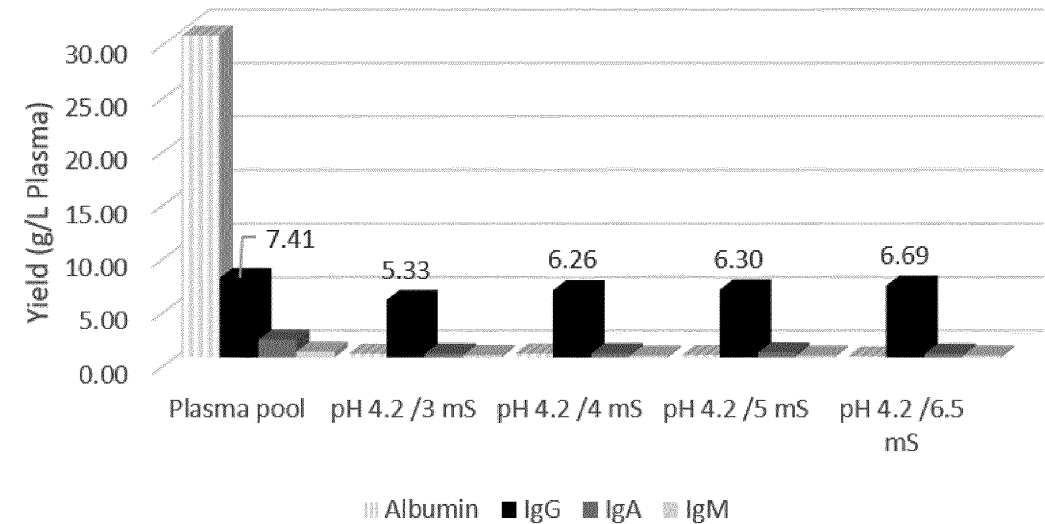

FIGURE 10

IgG Yield of clarified & concentrated OA Filtrate

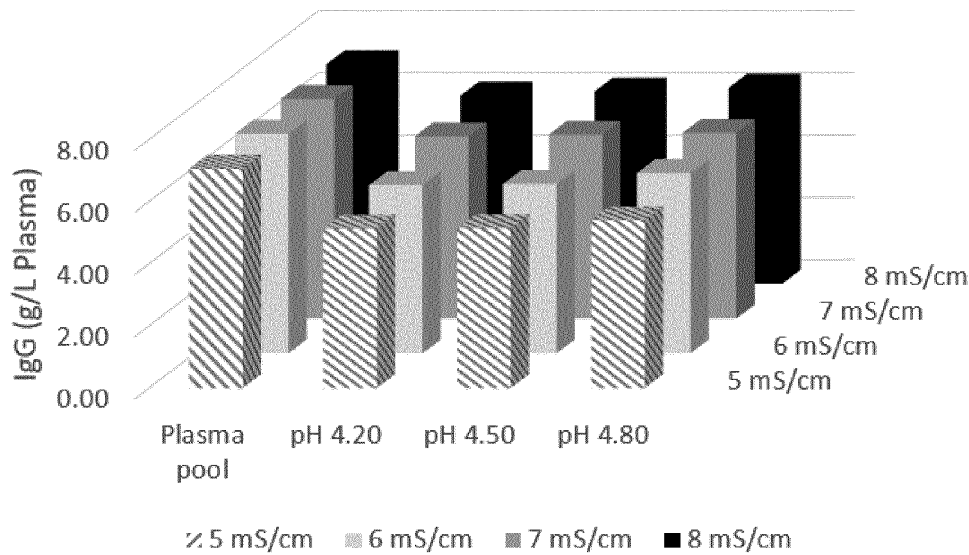

FIGURE 11

Albumin in IgG- clarified & concentrated OA- Filtrate

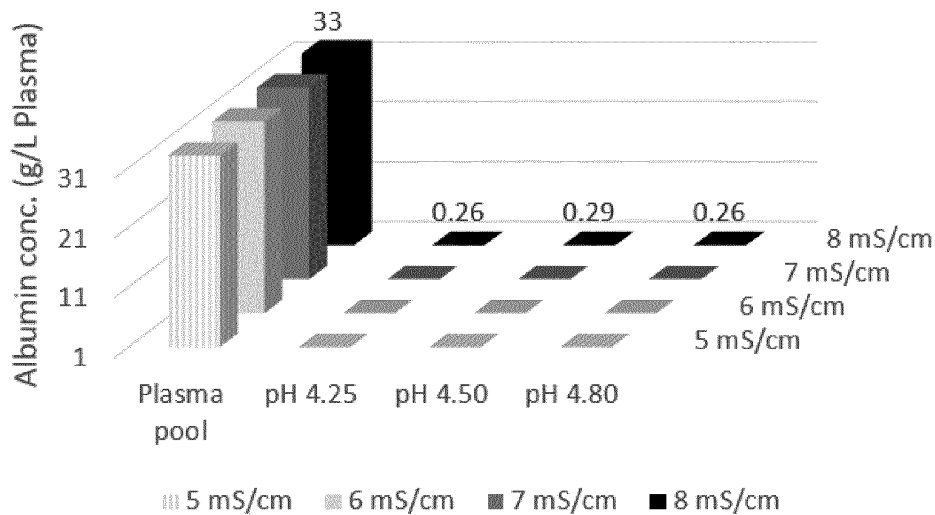

FIGURE 12

IgA in IgG-clarified & concentrated OA-Filtrate

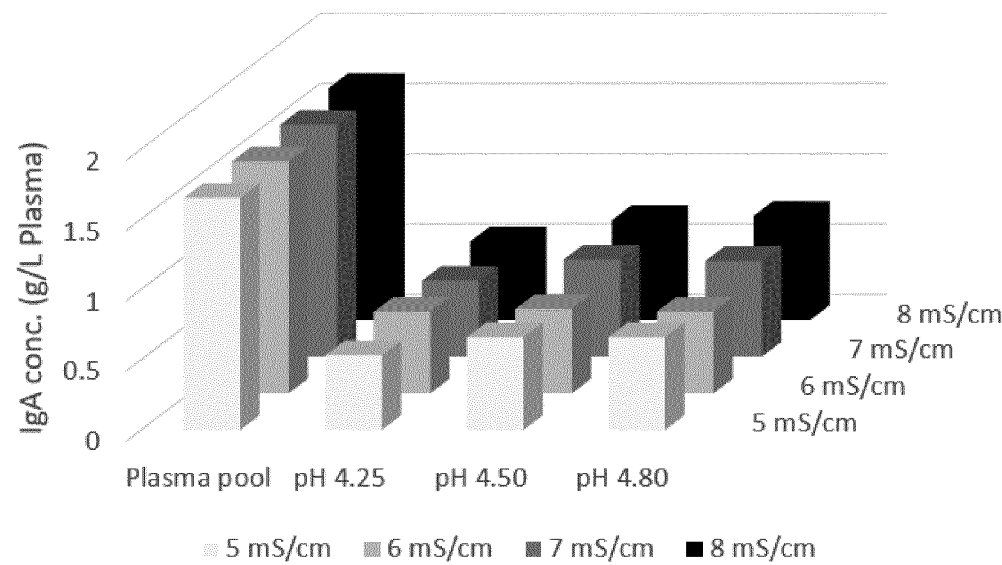

FIGURE 13

IgM in IgG-clarified & concentrated OA-filtrate
