FIG. 1

SIFTER capsid screening platform

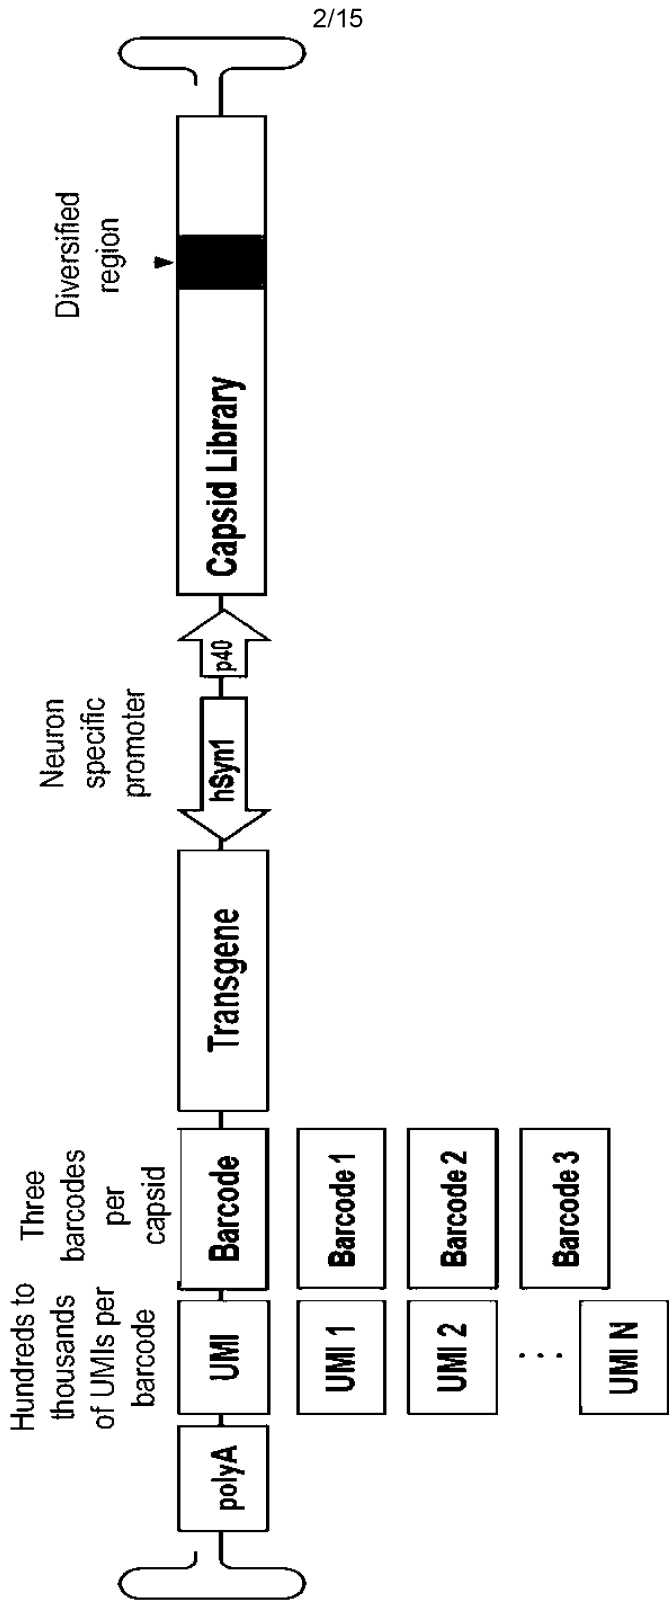

FIG. 2

HEK293 manufacturing yield

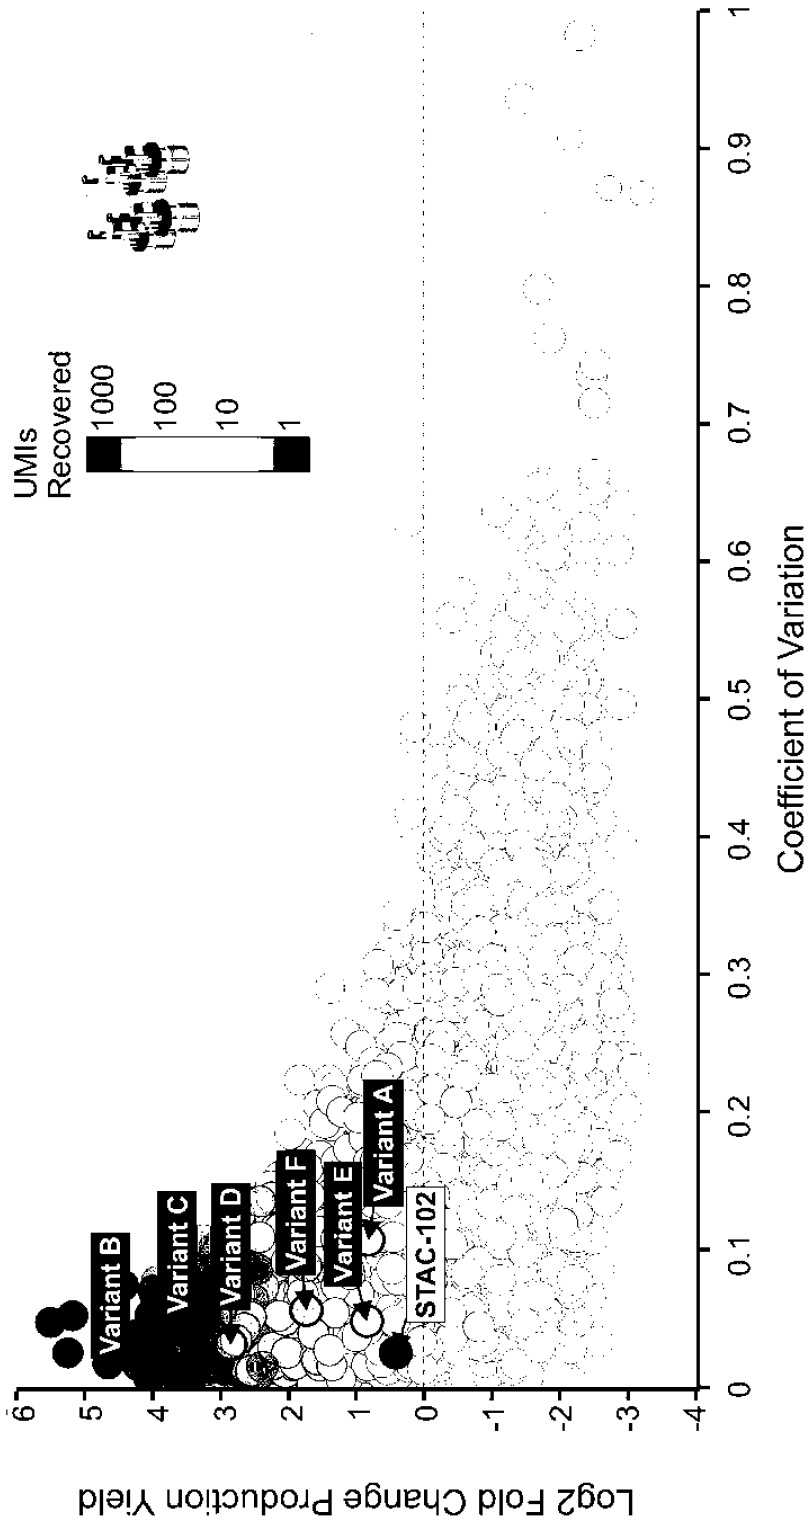

FIG. 3

In vitro transduction in mouse neurons

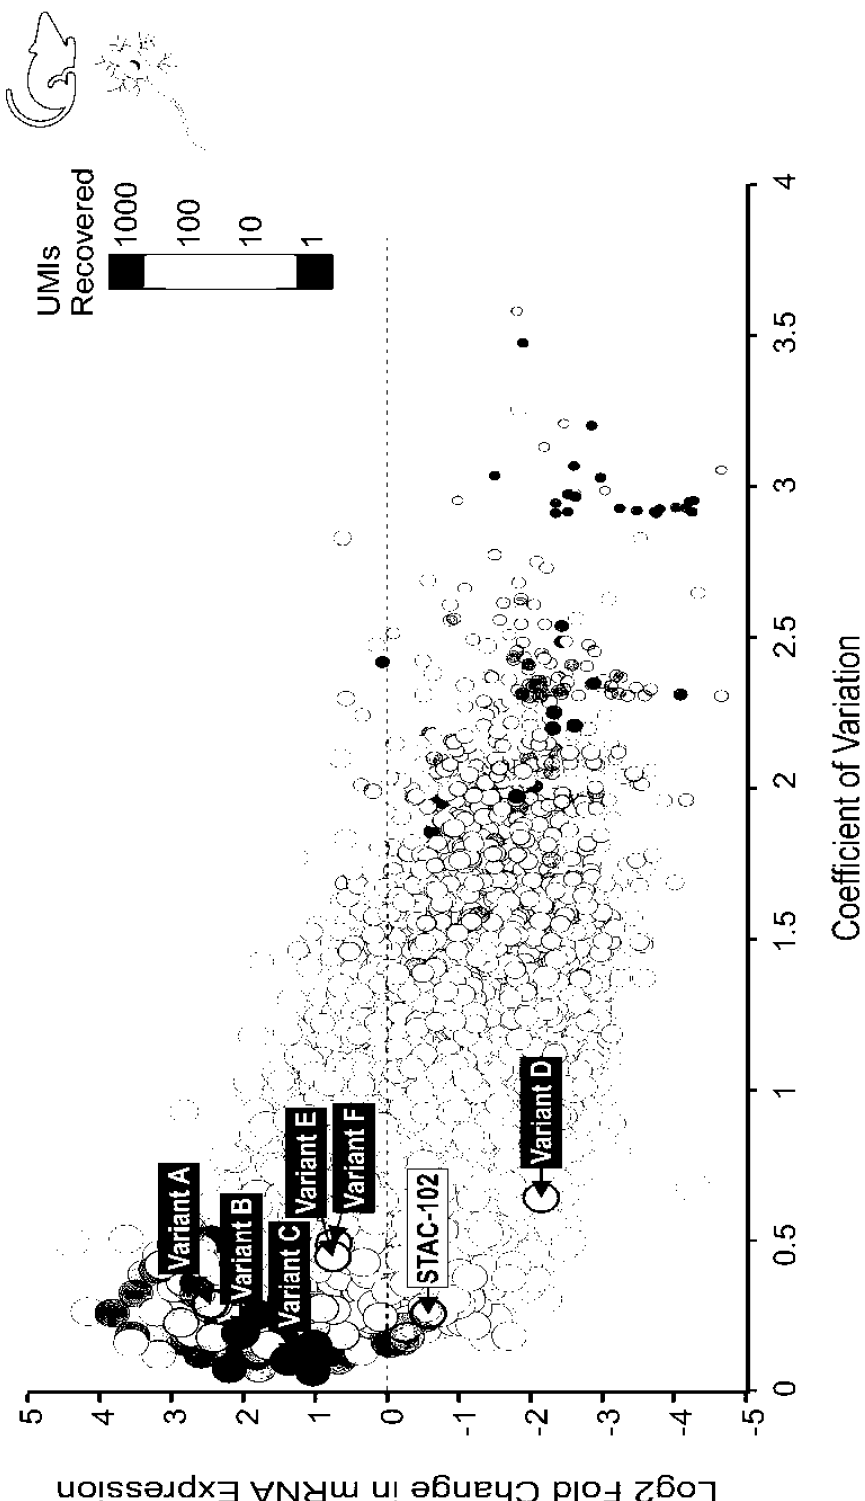

FIG. 4

In vitro transduction in human neurons

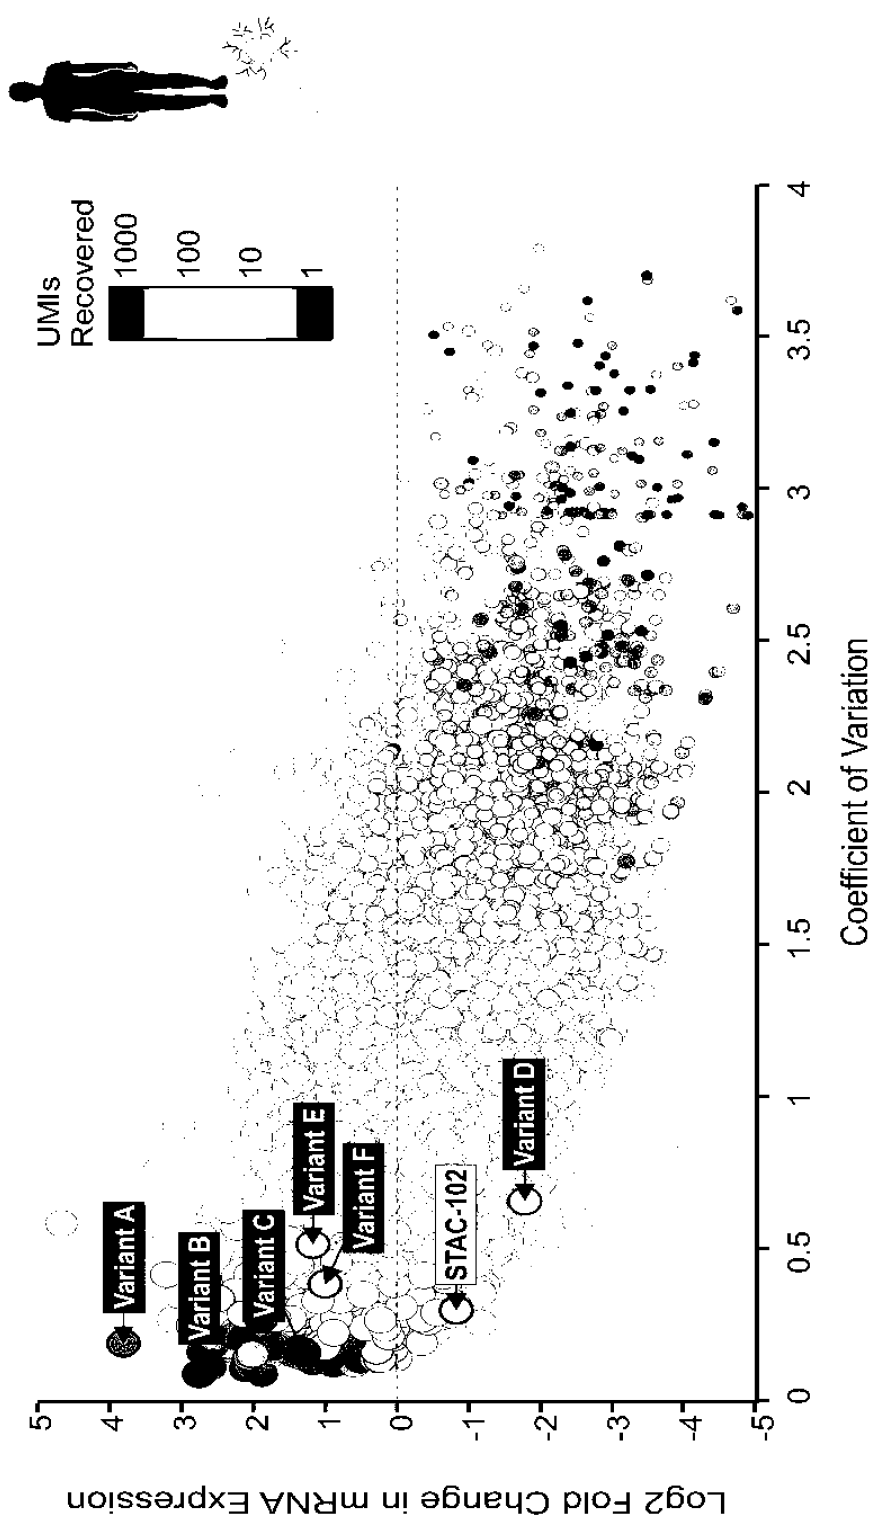

FIG. 5

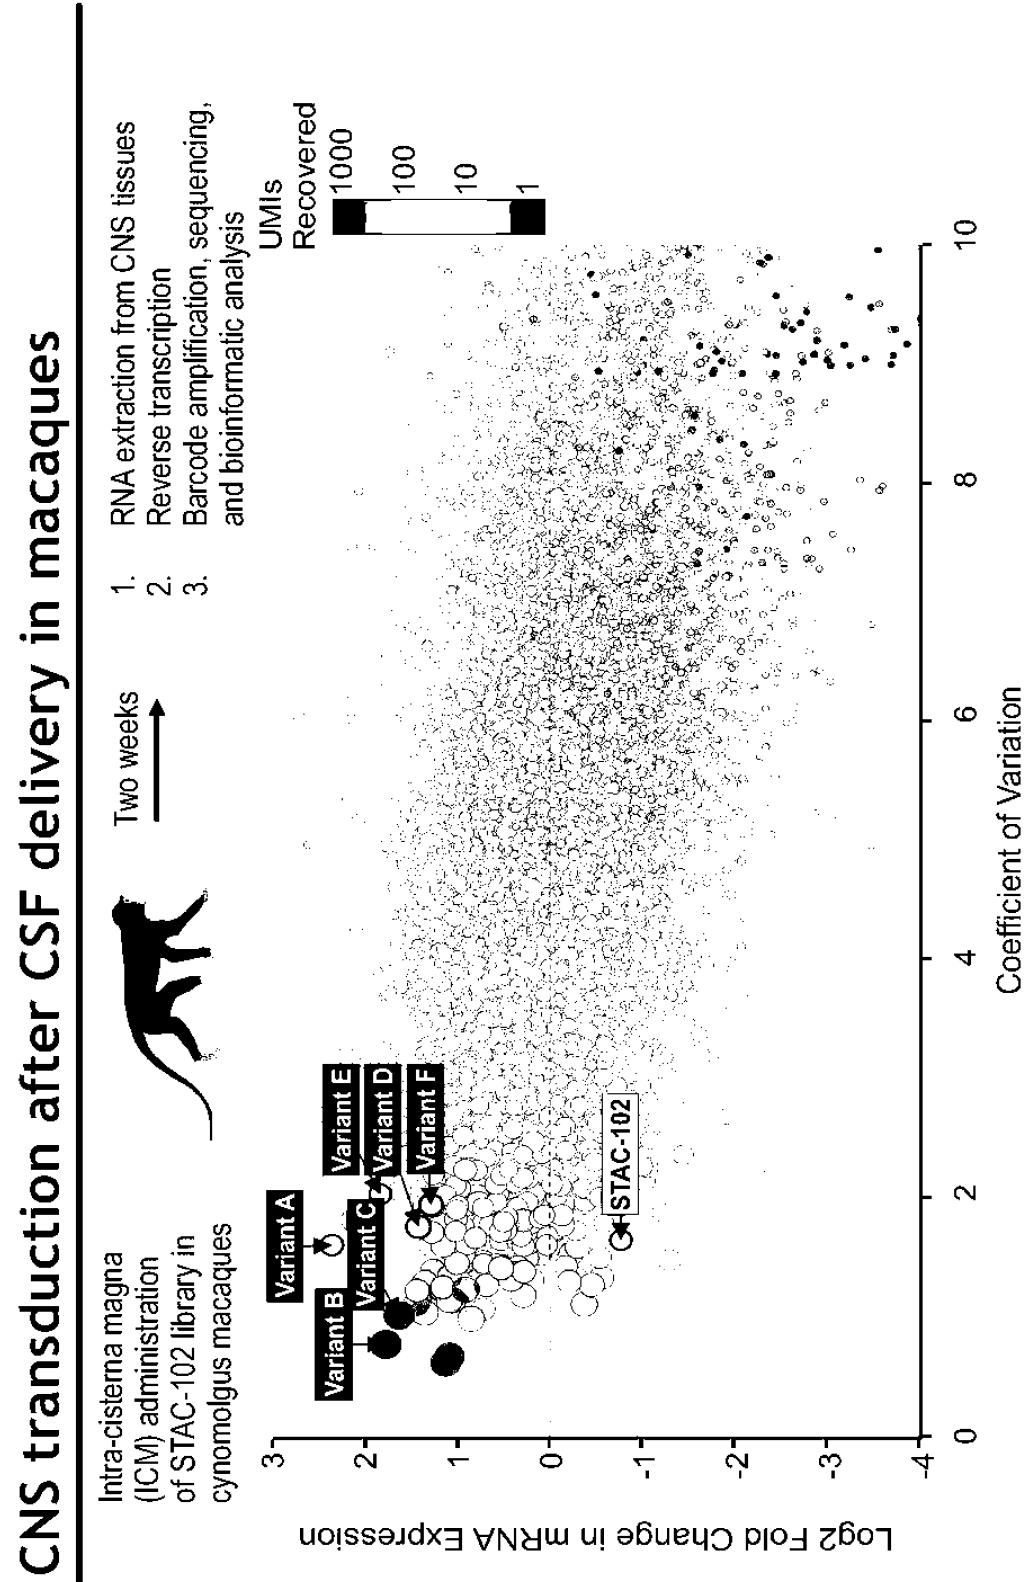

FIG. 6

CNS transduction after CSF delivery in macaques

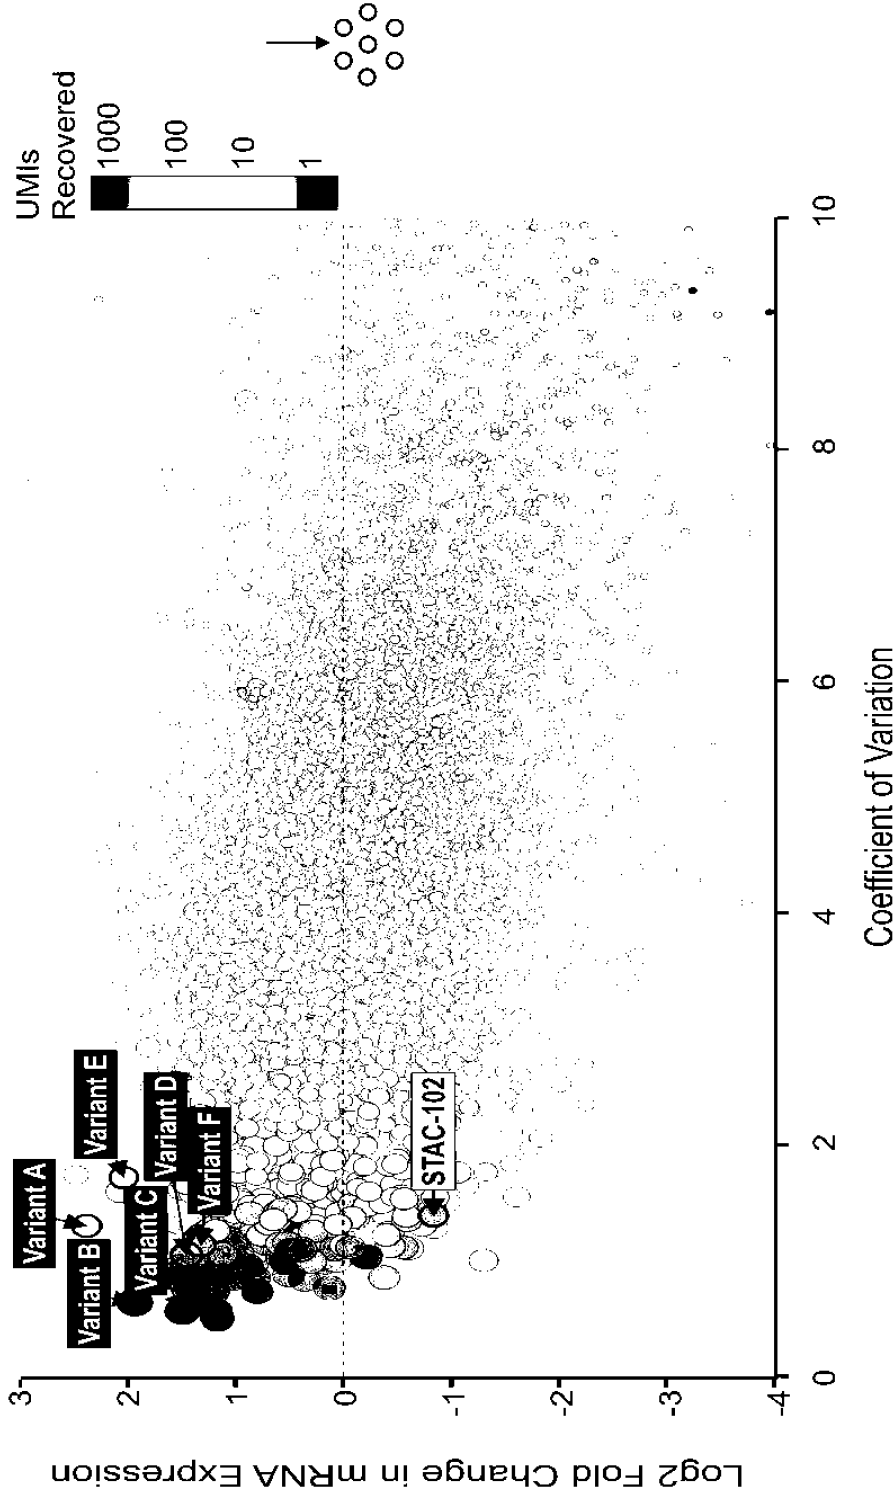

FIG. 7

CNS transduction after CSF delivery in macaques

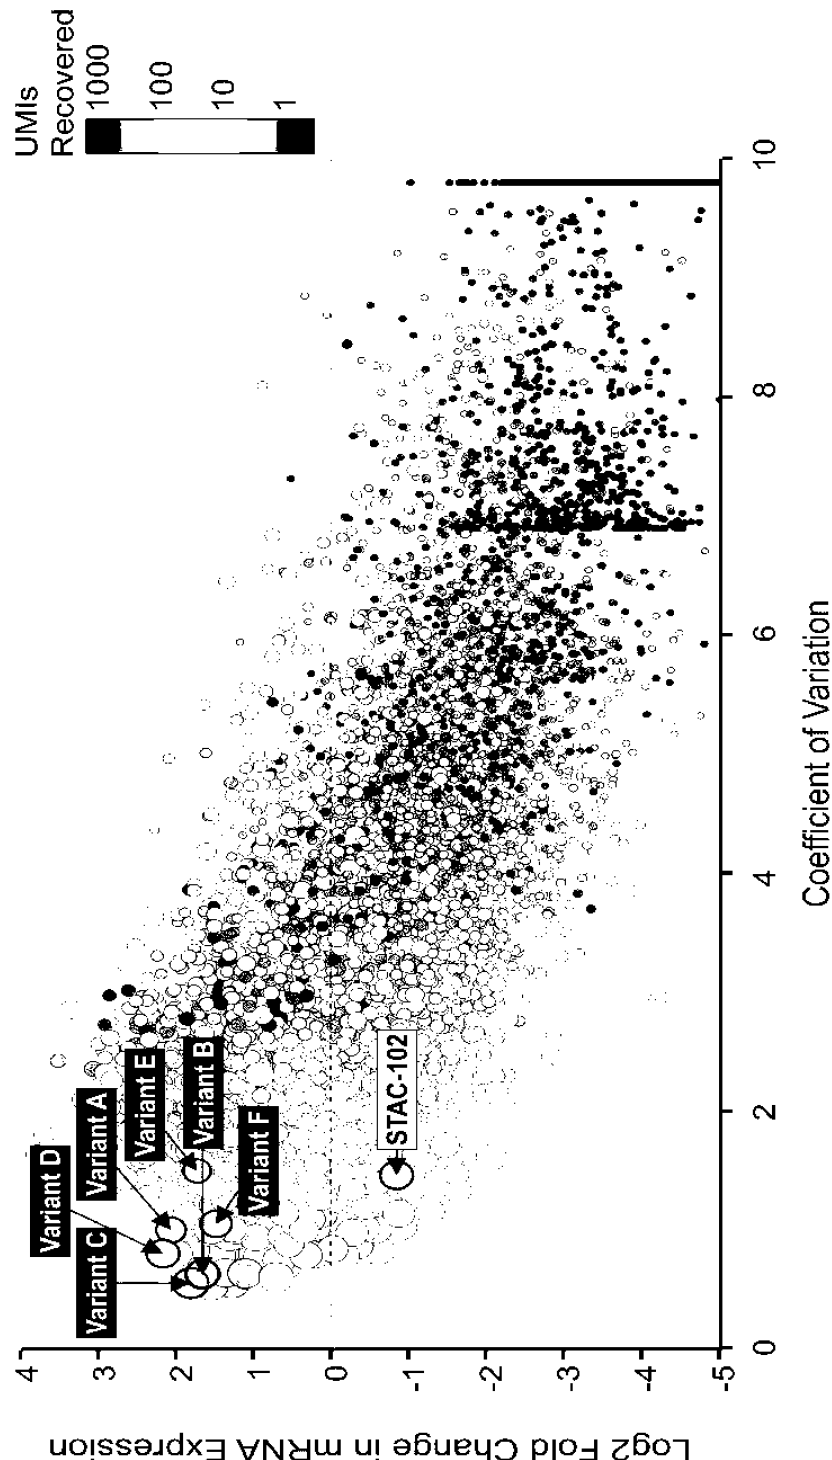

FIG. 8

Second generation STAC-102 variants exhibit enhanced performance

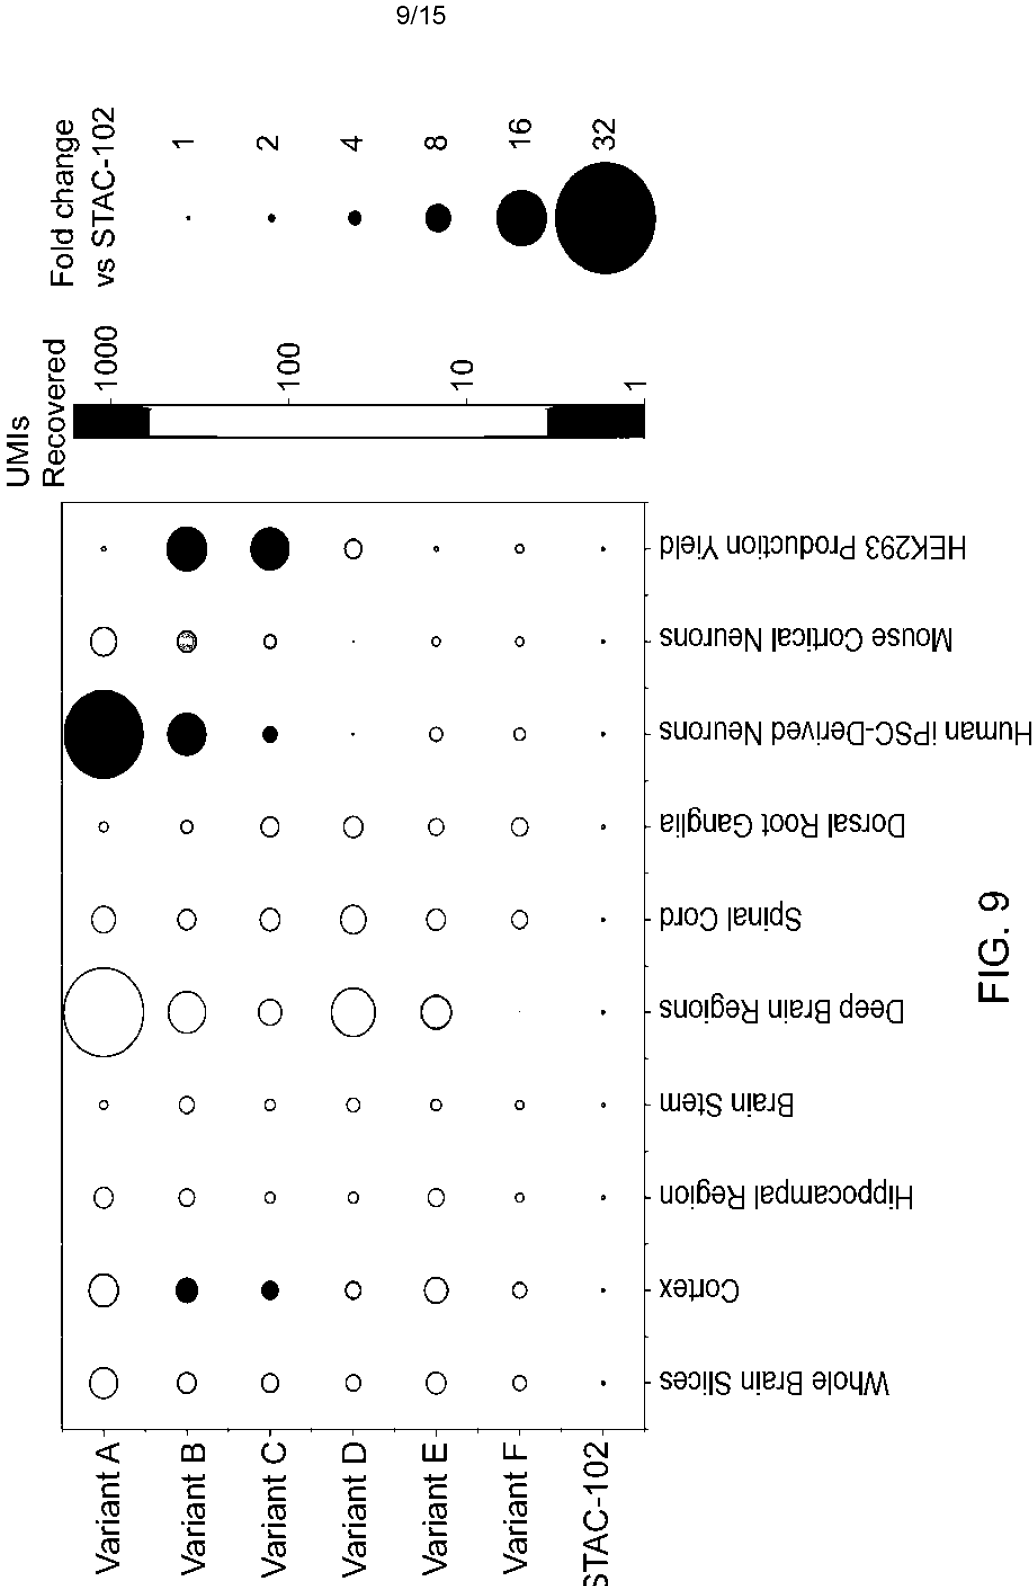

FIG. 9
