Electricity bill breakdown
Customer number 7082-1-
Electricity rate calculation breakdown
Billed item
Unit price
Amount
Contracted electricity, usage charges, etc.
Basic charge
497.17
24,361.33
Contracted electricity 49 kW
Power factor discount
-3,654.20
Power factor 100 %
Metered charge (summer)
14.91
0.00
Electric energy 0 kWh
Metered charge (other quarters)
13.63
124,905.32
Electric energy 9164 kWh
Fuel cost adjustment
-0.77
-7,056.28
Electric energy 9164 kWh
Renewable energy surcharge
2.95
27,033.00
Electric energy 9164 kWh
Invoice download discount
-110.00
Total amount
165,479
Consumption tax and other equivalent amounts
15,043
[1] Breakdown of conventional basic electricity charges
Power company Chugoku Electric Power
Conventional Contract Type
High voltage power A (2026/6/1~)
Billed item
Unit price
Amount
Contracted electricity, usage charges, etc.
Basic charge
1,243.00
60,907.00
Contracted electricity 49 kW
Power factor discount
-9,136.05
Power factor 100 %
Total amount
51,770.95
[2] Breakdown of remix basic electricity charges
Billed item
Unit price
Amount
Contracted electricity, usage charges, etc.
Basic charge
497.17
24,361.33
Contracted electricity 49 kW
Power factor discount
-3,654.20
Power factor 100 %
Total amount
20,707.13
Benefit of basic charge reduction for this month
([1]'s total amount - [2]'s total amount)
31,063.82
