CLAIMS

What is claimed is:

1. A compound:

or its pharmaceutically acceptable salts thereof.

2. A composition which comprises an HIV ameliorating amount of the compound or its pharmaceutically acceptable salts thereof as claimed in claim 1, together with one or more pharmaceutically acceptable carriers, excipients, and/or diluents.

3. Use of the compound or its pharmaceutically acceptable salts thereof as claimed in claim 1 in the manufacture of a medicament for treating a mammal infected with the HIV virus, wherein said mammal is to be administered with an HIV ameliorating amount of said compound, together with one or more pharmaceutically acceptable carriers, excipients, and/or diluents.

4. A compound or its pharmaceutically acceptable salts thereof as claimed in claim 1 for use in treating a mammal infected with the HIV virus, wherein said mammal is to be administered with an HIV ameliorating amount of said compound, together with one or more pharmaceutically acceptable carriers, excipients, and/or diluents.
