Codex Decoder Puzzle

Cipher Message

Cipher Wheel

Truth Wheel

Lock Button

Accept Button

Find the hidden key code number in the storyline.
Turn the small inner cring that number of position clockwise.
Lock the inner ring and the outer ring together.
Locate the cipher letter in the loop window and press accept.
The decoded cipher will appear in the bottom window.

Hidden Key Code Number

HAVE FUN IN THE CERN!

That's a so totally
too fair. Who isn't
my model team an
Am Place??

It was very
crazy though.
She just walked on
stage with her
nothing but her
own without
stage with nothing
but a gold
broom.

Why don't I
think of that?

LAST EPI/ODE!

One, were the
first time I've
seen him
and
this first time.
