FIG. 3

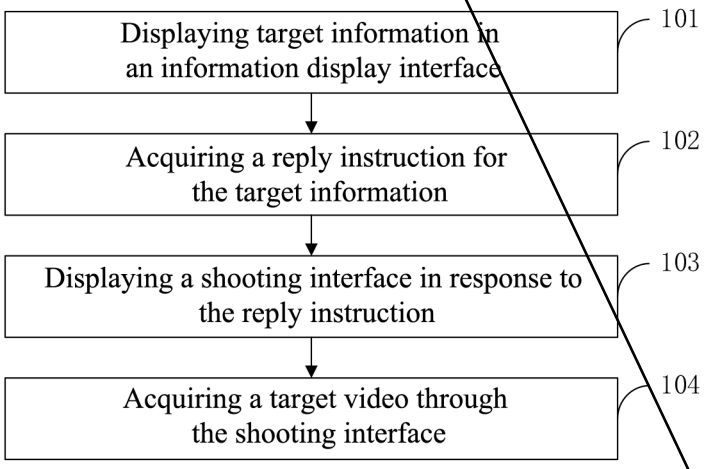

Displaying target information in an information display interface
101
Acquiring a reply instruction for the target information
102
Displaying a shooting interface in response to the reply instruction
103
Acquiring a target video through the shooting interface
104

FIG. 4

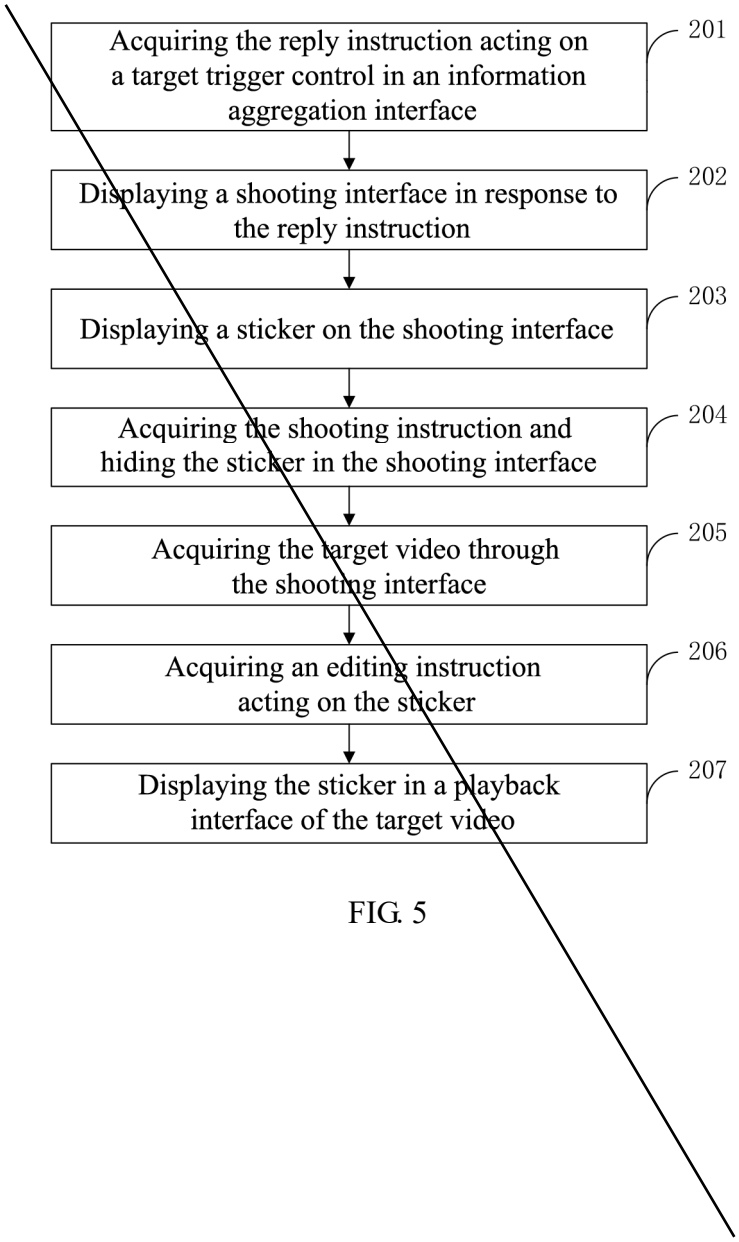

Acquiring the reply instruction acting on a target trigger control in an information aggregation interface
201
Displaying a shooting interface in response to the reply instruction
202
Displaying a sticker on the shooting interface
203
Acquiring the shooting instruction and hiding the sticker in the shooting interface
204
Acquiring the target video through the shooting interface
205
Acquiring an editing instruction acting on the sticker
206
Displaying the sticker in a playback interface of the target video
207

FIG. 3

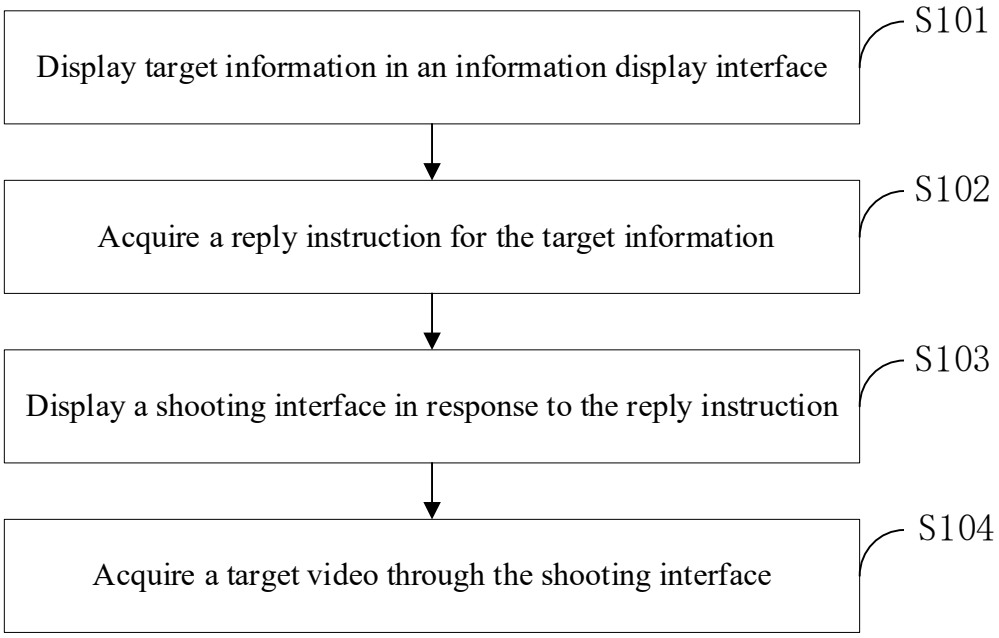

Display target information in an information display interface
S101
Acquire a reply instruction for the target information
S102
Display a shooting interface in response to the reply instruction
S103
Acquire a target video through the shooting interface
S104

FIG. 4

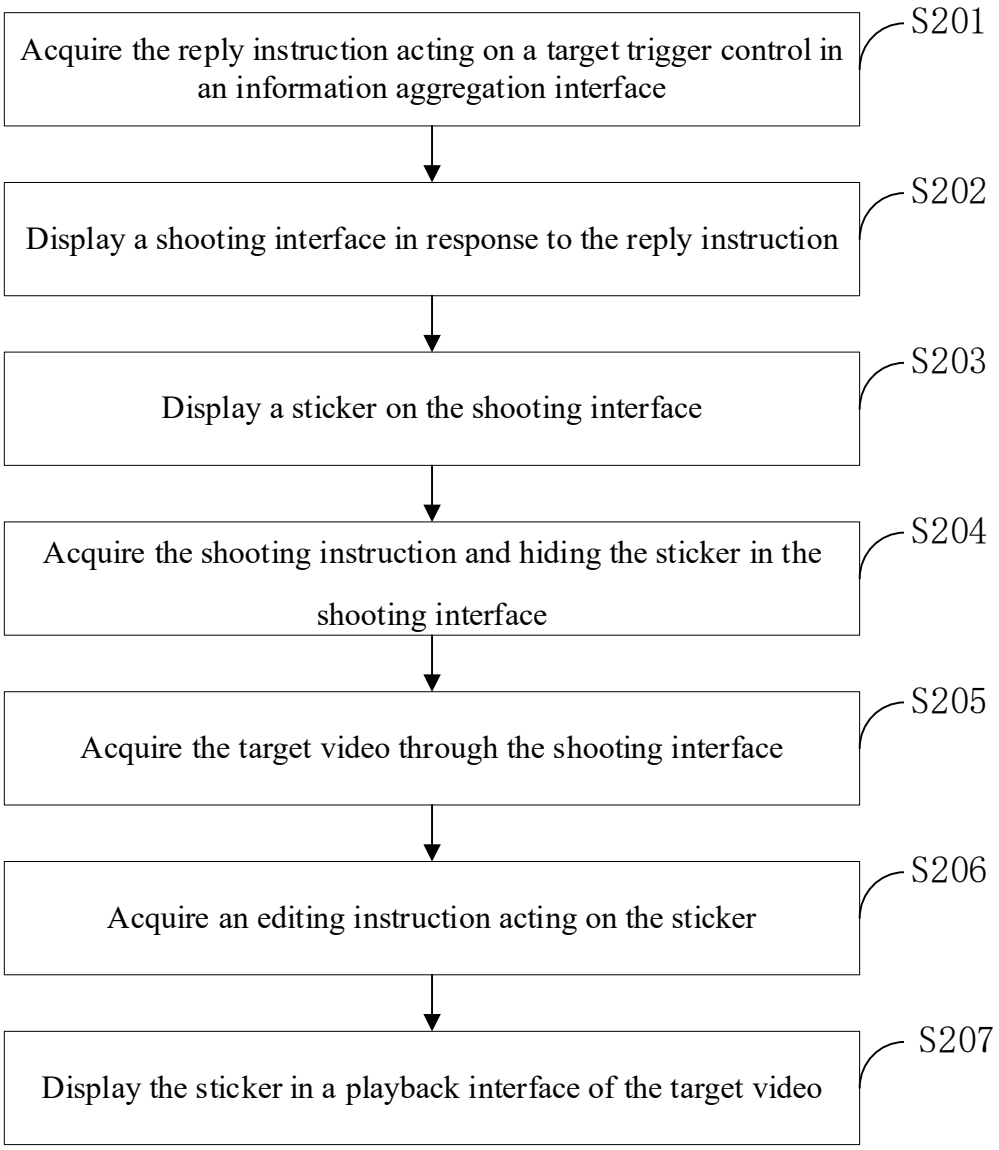

Acquire the reply instruction acting on a target trigger control in an information aggregation interface
S201
Display a shooting interface in response to the reply instruction
S202
Display a sticker on the shooting interface
S203
Acquire the shooting instruction and hiding the sticker in the shooting interface
S204
Acquire the target video through the shooting interface
S205
Acquire an editing instruction acting on the sticker
S206
Display the sticker in a playback interface of the target video
