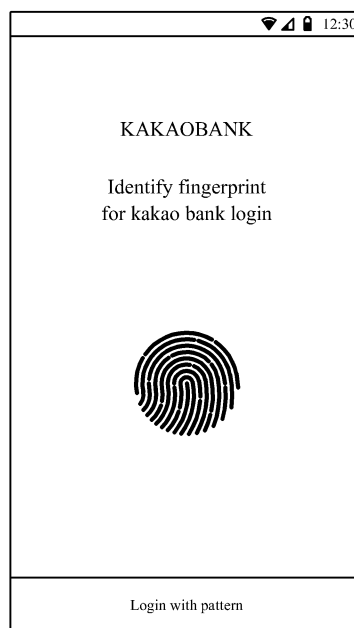

FIG. 5D

Mobile app screen for Kakao Bank password input. The screen displays the text "Input kakao bank password" above a dashed line for password entry. Below the password field is a link "Did you forget password?". At the bottom, there is a numeric keypad with digits 1 through 9, 0, and a backspace icon (a left arrow with an 'x'). The status bar at the top shows "SKT", "19:00", and "100%". A "cancel" button is in the top right corner.

FIG. 5E

Mobile app screen for Kakao Bank device change. The screen displays the text "There is a history of kakao bank" and "Change device through user certification if you continue to want to use kakao bank through this account." Below this text is a call icon and the text "Call inquiry 1599-3333". At the bottom, there is a button labeled "Device change". The status bar at the top shows "SKT", "19:00", and "100%". A "cancel" button is in the top right corner.
