(54) Title: METHODS AND SYSTEMS FOR CONDUCTING AN ASSESSMENT

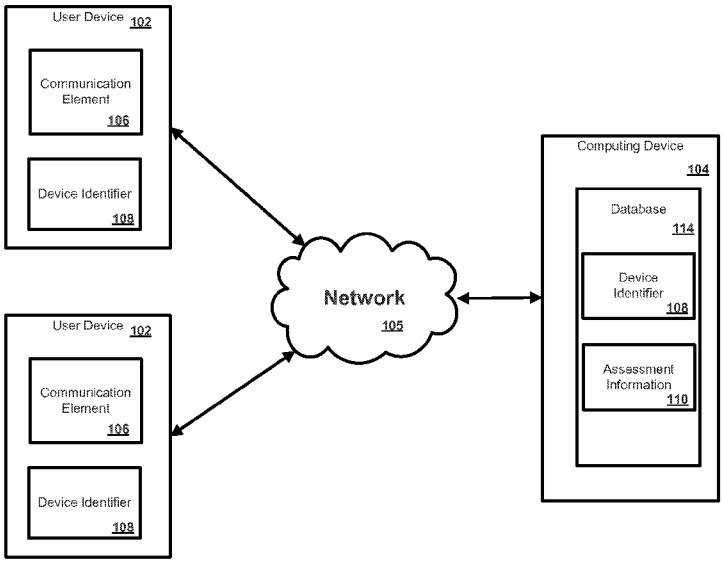

FIG. 1

(57) Abstract: In an aspect, first intrinsic information relating to an event can be received in advance of a beginning of the event. First extrinsic information relating to the event can be received in advance of the beginning of the event. Second intrinsic information relating to the event can be received subsequent to the beginning of the event. Optionally, second extrinsic information relating to the event can be received subsequent to the beginning of the event. Impact metrics can be generated from the received first intrinsic information, the received first extrinsic information, the received second intrinsic information, and the received second extrinsic information. The generated impact metrics can be outputted.
