

Listing of Claims:

1. A compound of the formula:

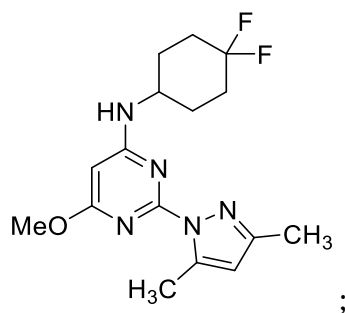

or a pharmaceutically acceptable salt thereof.

2. The compound of Claim 1, wherein the compound is of the formula

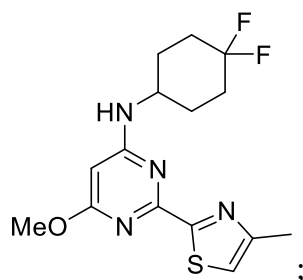

or a pharmaceutically acceptable salt thereof.

3. The compound of Claim 1, wherein the compound is of the formula

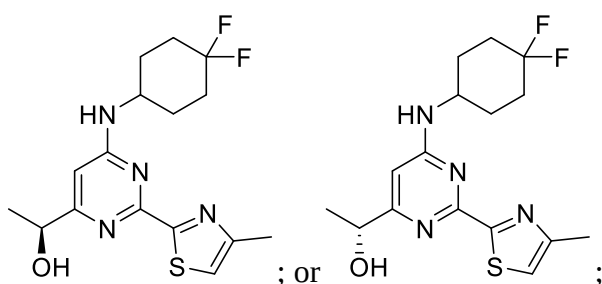

or a pharmaceutically acceptable salt thereof.

4. The compound of Claim 1, wherein the compound is of the formula

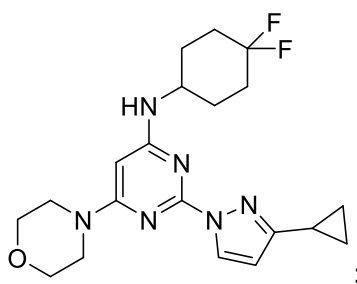

or a pharmaceutically acceptable salt thereof.

5. The compound of Claim 1, wherein the compound is of the formula

or a pharmaceutically acceptable salt thereof.

6. The compound of Claim 1, wherein the compound is of the formula

or a pharmaceutically acceptable salt thereof.

7. A pharmaceutical composition comprising a compound of any one of Claims 1 to 6, or a pharmaceutically acceptable salt thereof; and a pharmaceutically acceptable carrier.

8. Use of the compound of any one of Claims 1 to 6 or the composition of Claim 7 in the manufacture of a medicament for the treatment of a disease or condition responsive to modulation of the small conductance calcium-activated potassium channel (SK channel).

9. The use of Claim 8, wherein the disease or condition is responsive to the modulation of the SK2 channel.
10. The use of Claim 8, wherein the disease or condition is selected from a neurodegenerative disease, dementia, heart disease, withdrawal symptoms associated with termination of addiction, metabolic disease, and bladder disease.
11. The use of Claim 8, wherein the disease or condition is selected from ataxia, dystonia, tremors, Parkinson's disease, ischemia, traumatic brain injury, amyotrophic lateral sclerosis, hypertension, atherosclerosis, diabetes, arrhythmia, over-active bladder, and withdrawal symptoms caused by the termination of abuse of alcohol and other drugs of abuse.
12. The use of Claim 11, wherein the disease or condition is essential tremor.
13. The use of Claim 11, wherein the disease or condition is ataxia.
14. The use of Claim 13, wherein the disease or condition is spinocerebellar ataxia.
15. The use of Claim 8, wherein the disease or condition is anxiety.
