

SYSTEM AND METHOD FOR IMPLEMENTING
A COMMON DESCRIPTOR FORMAT

ABSTRACT OF THE DISCLOSURE

5 A system and method is disclosed for the implementation of a common
descriptor format for storage data formats regardless of the storage media. An example
storage medium using a common descriptor format may comprise data stored on the
storage medium and a common descriptor that is associated with the stored data and
stored on the storage medium. The common descriptor may include formatting
10 information stored in a standardized format. The formatting information may be
sufficient to describe how the data is formatted.
