COSMETIC SHEET AND METHOD FOR PRODUCING THE SAME, COSMETIC INK, INK JET PRINTING INK, AND APPARATUS FOR PRODUCING COSMETIC SHEET

ABSTRACT

There are provided a cosmetic sheet that exhibits luster and transparency and has good appearance when attached to the skin and a method for producing the cosmetic sheet. There are also provided a cosmetic ink and an ink jet printing ink for producing the cosmetic sheet. A cosmetic sheet (50) to be attached to a skin (510) includes a thin film (520), one surface of which is to be attached to a skin, a light-scattering layer (522) disposed on the thin film and containing a reflective material, a coloring layer (523) disposed on the light-scattering layer and containing a colorant, and a glossy layer (524) disposed on the coloring layer and containing a gloss agent.
