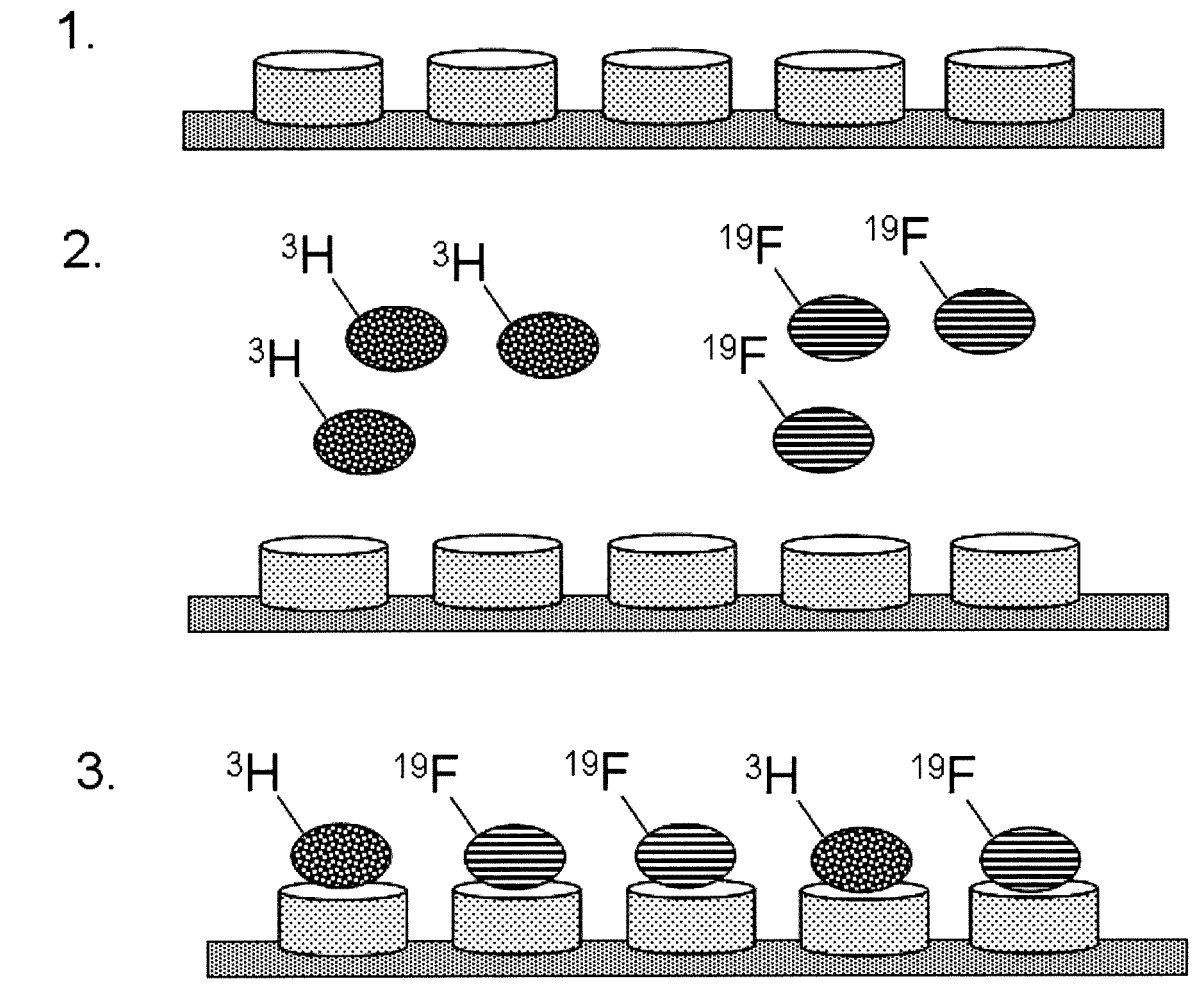
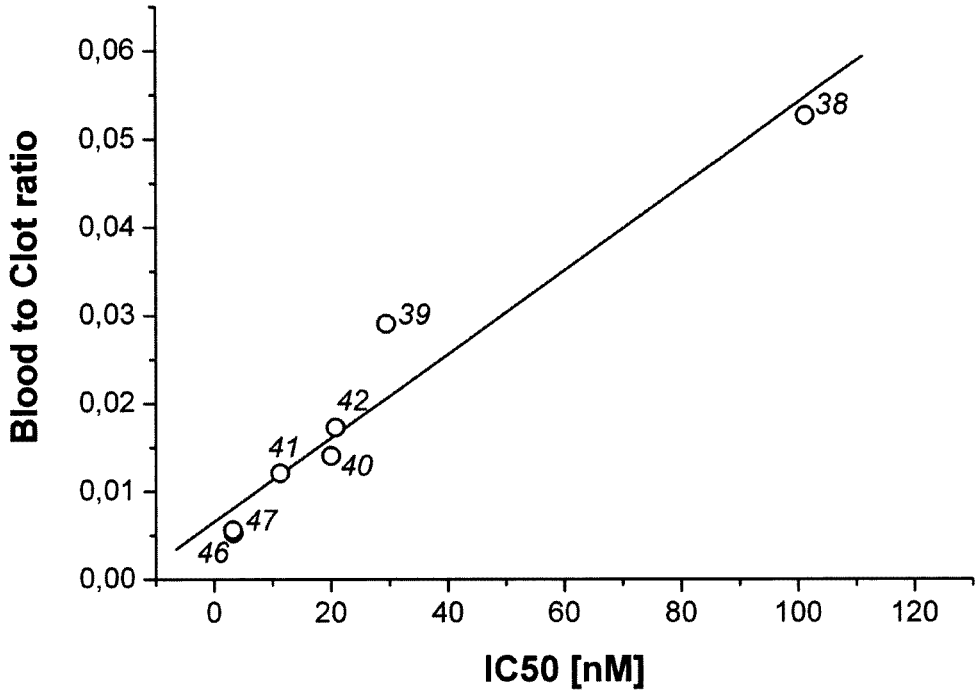
FIGURES

Figure 1



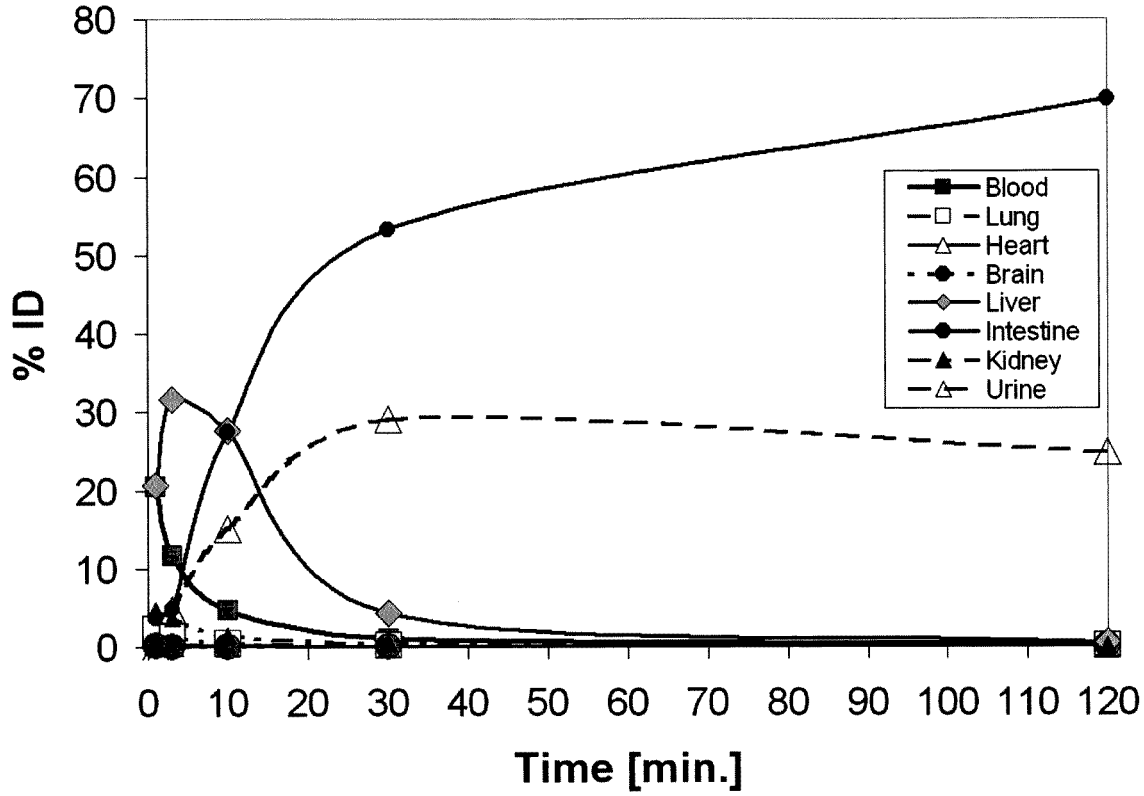
Affinity assay

Figure 2



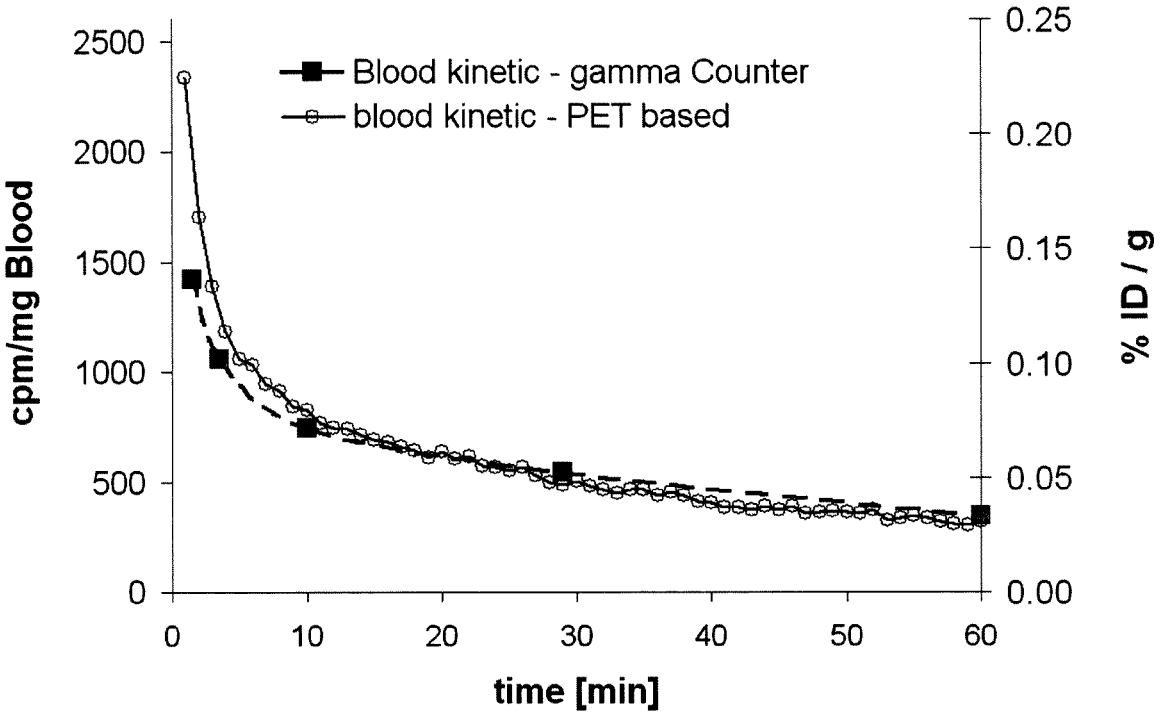
Blood-to-clot ratio *in vitro* versus IC50 values of the investigated compounds

Figure 3



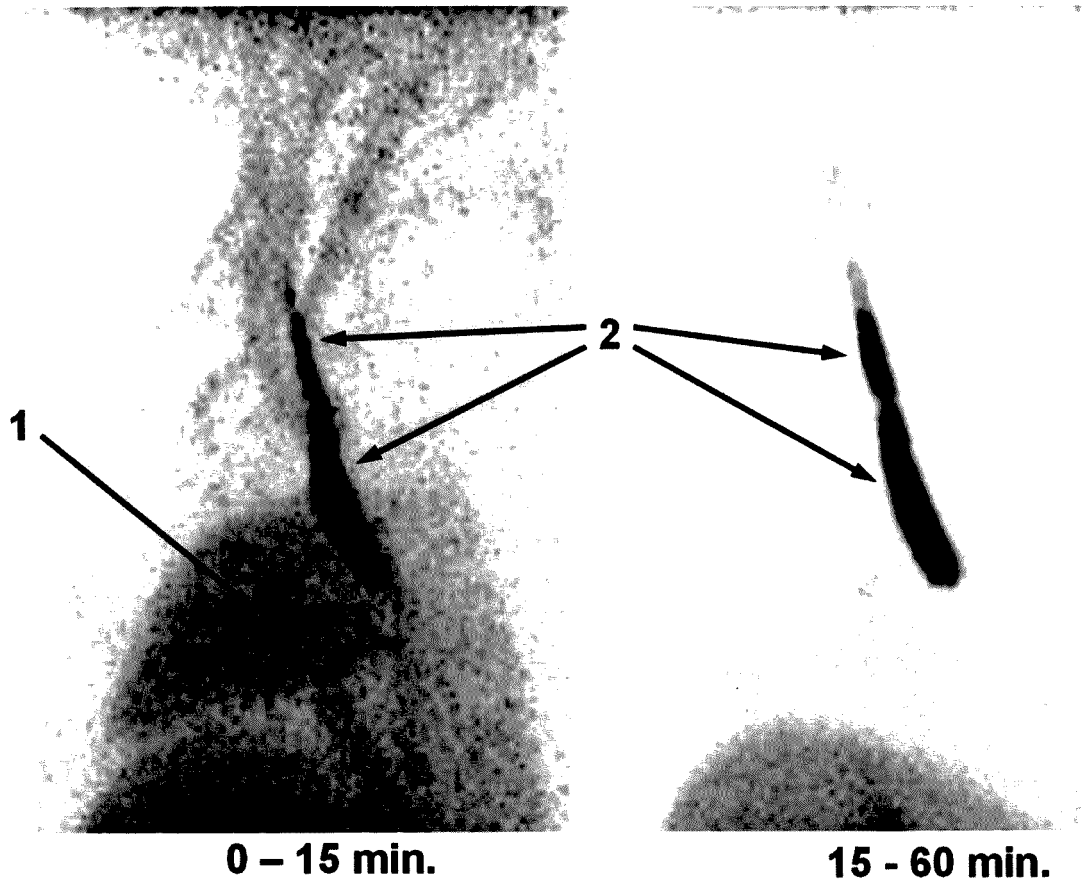
Biodistribution of the compound described in example 41 in mice.

Figure 4



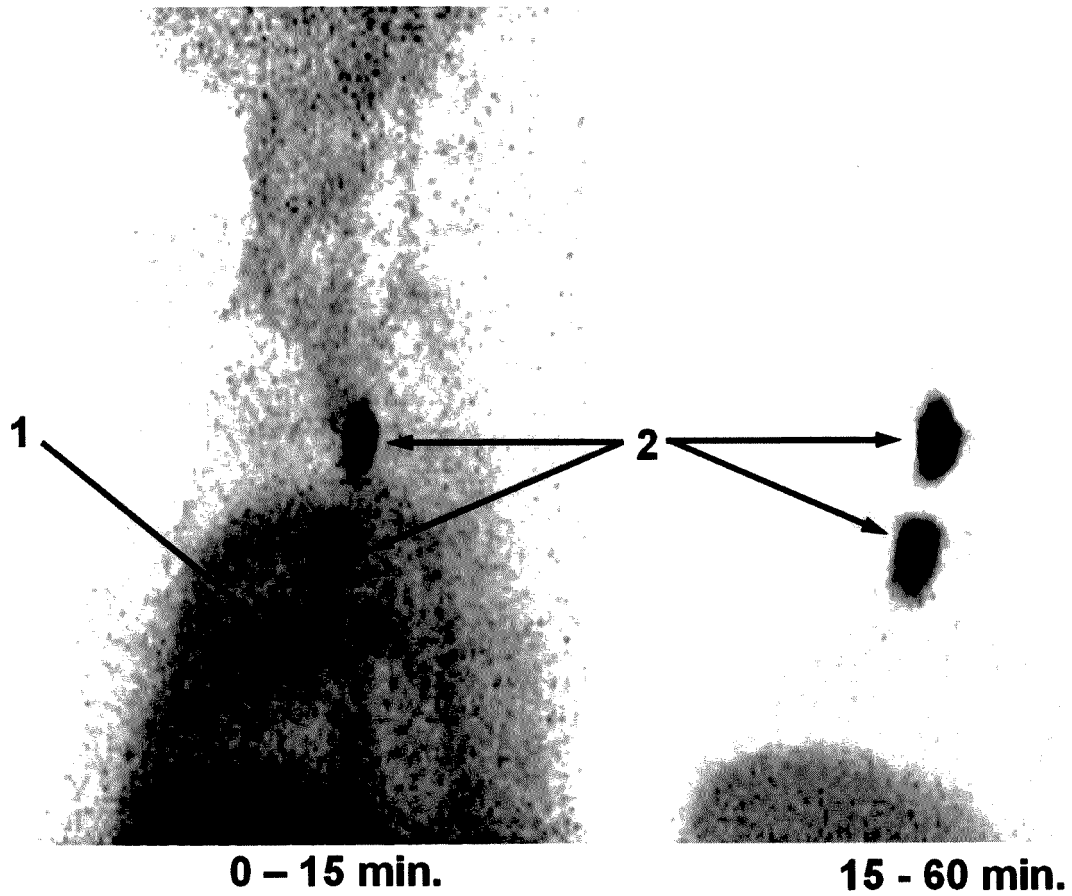
Blood kinetics of the compound described in example 40 in cynomolgus monkey.

Figure 5



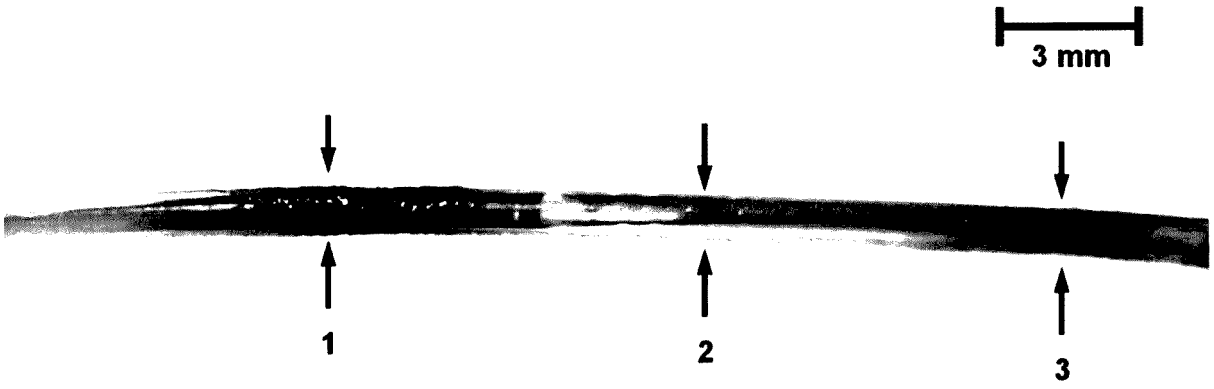
PET-Imaging of an arterial thrombus in a Cynomolgus monkey

Figure 6



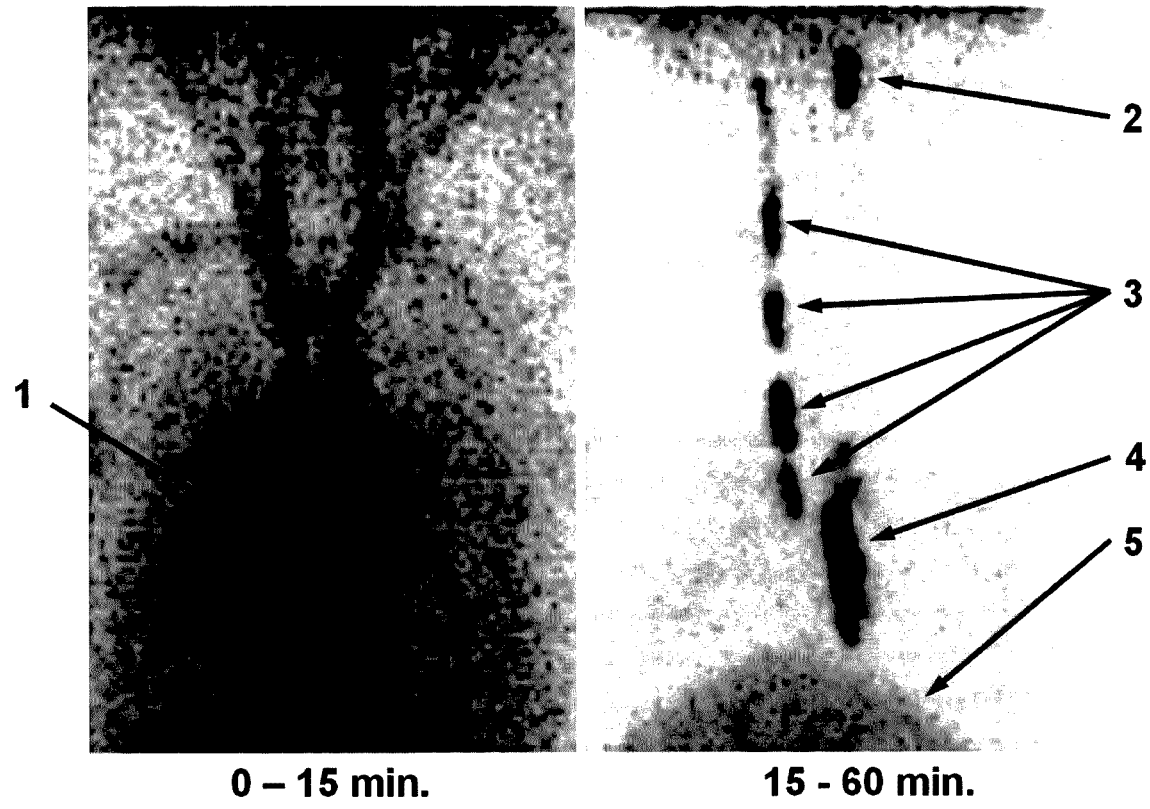
PET-Imaging of an arterial thrombus in a cynomolgus monkey

Figure 7



Arterial thrombi removed from monkey 2:

Figure 8



PET-Imaging of arterial and venous thrombi in a cynomolgus monkey with the reduced tracer-dosage of 15 MBq per animal
