For two-letter codes and other abbreviations, refer to the "Guidance Notes on Codes and Abbreviations" appearing at the beginning of each regular issue of the PCT Gazette.

(54) Title: SUSPENSION SCREEN RAKING SYSTEM

(57) Abstract: A screen raking system has a screen and a rake which is driven by a single hydraulic cylinder to move the rake up and down a length of a screen and also move the screening away from the screen, compress the screenings and move them through a waste pipe to an area remote from the screen for disposal.
