ABSTRACT

The present invention relates to a composition containing,
as active ingredients, a *Cymbidium kanran* extract; and at least
one selected from the group consisting of a green tea extract, a
10 *Camellia japonica* extract, a *Bletilla striata* extract, and an
Opuntia Coccinellifera extract, an external skin preparation
including the composition, a cosmetic preparation including the
composition, and a pharmaceutical preparation including the
composition.
