[illegible]

Diagram illustrating a vertical refrigerator (30) with a top freezer compartment (32) and a bottom refrigerator compartment (31). The refrigerator is shown in a cross-sectional view, revealing internal components such as shelves (33, 35, 35a, 36, 36a) and drawers (34). The diagram includes a vertical dimension line labeled UD (Upward/Downward) and a horizontal dimension line labeled LR (Left/Right). A bracket groups the top and bottom compartments under the label 30. Other labels include 31, 32, 33, 34, 35, 35a, 36, 36a, and 42.
