FIG. 5

< Payment means

☐ Pay with points

☒ Deferred payment

Service to receive goods first and pay later
(remaining limit: 300,000 won)

Late fee will be incurred if a limit on the
payment means is not sufficient on payment date.

Late fee calculation:
(overdue amount)*(overdue interest rate)
*(number of overdue days)/365

*When 300,000 won is overdue for 10 days
(12% overdue interest rate)

$(300,000) * (0.12) * 10 / 365 = 986 \text{ won}$
