A schematic diagram of a device 200. The device is represented by a large rectangle. Inside this rectangle is a smaller rectangle labeled 180. The top boundary of the large rectangle is labeled 202. The left boundary of the large rectangle is labeled 210. The bottom boundary of the large rectangle is labeled 206. The right boundary of the large rectangle is labeled 130. On the left side, outside the large rectangle, there is a wavy line labeled 216. On the right side, outside the large rectangle, there are several horizontal lines. An arrow points from the label 200 towards the top-left corner of the device.
