

PHARMACEUTICAL COMPOSITION CONTAINING PYRROLE GASTRIC ACID SECRETION INHIBITOR AND PREPARATION METHOD THEREFOR

ABSTRACT

A pharmaceutical composition containing a pyrrole gastric acid secretion inhibitor and a preparation method therefor are provided. The pharmaceutical composition includes a pharmaceutically acceptable salt of a compound represented by formula I, and a stabilizer. Also provided is a method for preparing the pharmaceutical composition. The method is simple, cost-effective, and suitable for industrial mass production. At present, no injectable composition of the pharmaceutical compound is available clinically.
