A detailed cross-sectional view of a mechanical assembly. The assembly consists of several components: a base plate (1) with a central slot (2) and a raised section (3); a top plate (6) with a central raised section (6a) and a sloped section (6b); a central shaft (4) passing through the assembly; a sleeve (5) with a serrated outer edge (5a) and a central section (5b); and a series of small, pointed components (7) located between the top plate (6) and the central shaft (4). The assembly is shown in a cross-section with diagonal hatching for different materials or sections. Labels 1 through 8 identify various parts and features.
