For two-letter codes and other abbreviations, refer to the "Guidance Notes on Codes and Abbreviations" appearing at the beginning of each regular issue of the PCT Gazette.

(54) **Title:** OIL-ABSORBING COSMETIC SHEET

(57) **Abstract:** To provide an oil-absorbing cosmetic sheet having very excellent oil absorption property and remarkably soft touch and enabling oil removal with enjoyment before and during use by virtue of an imparted picture pattern. The oil-absorbing cosmetic sheet comprises a porous stretched film formed of a plastic material and is constructed such that an image-forming oil agent, in an amount imparting a picture pattern to the plastic film by at least partially filling voids of the plastic film, is applied to the plastic film and thereby an image region is formed.
