

ABSTRACT**ELECTRIC WARM-AIR HAND DRIER**
WITH FRAGRANCE DISPENSER

The fragrance dispenser is attached to the drier, near the warm air outlet and includes a holder with a chamber 10 for receiving a fragrance cartridge. Preferably the fragrance cartridge can be easily removed and the dispenser is firmly attached to the outlet grille of the hand drier using a resilient clip 7, 11, 11a, 13.

Figure 2 should accompany the abstract when published.
