(54) Title: NEW IRON AND ACACIA GUM ORAL COMPOSITIONS, PROCESS FOR THEIR PREPARATION AND THEIR USE IN IRON DEFICIENCY CONDITIONS

(57) Abstract: The present invention relates to novel iron pharmaceutical and/or nutraceutical and/or food compositions and their use in the treatment and/or prevention of conditions of absolute or relative iron deficiency in individuals in need. Specifically, the present invention relates to novel compositions comprising highly assimilable iron and their use in the treatment and/or prevention of disorders and conditions associated with iron deficiency. The invention also relates to processes for the preparation of said compositions.
