(54) Title: METHOD FOR INSTALLING A FIXED WINDOW AND A FIXED WINDOW

(57) Abstract: The present invention relates to a method for installing a fixed window and a fixed window. The invention is suited for - but not limited to use for - windows of vehicles, especially windows of passenger carriages. It is the object of the invention to provide a solution for a method for installing a fixed window and a fixed window, especially which is flush the car body, where there are no problems with leaks of water and dampness and which is easy to handle. The invention involves gluing the edges the window to the edges of the opening in the vehicle wall with glue. Because of the position of the joint the glue can simultaneously serve as a rubber sealant, glue joint and connection to the interior.
