(54) **Title:** SELECTIVELY LIMITING FUNCTIONALITY OF A MOBILE TERMINAL

(57) **Abstract:** A method (400) of selectively limiting functionality of a mobile terminal MT (111), the method comprising the steps of: determining (401) a mobile terminal location MTL (522) of the mobile terminal MT (111); determining (605) a hazard rating at the location MTL (522) of the mobile terminal MT (111); enabling the mobile terminal MT (111) to operate in a full functionality mode if the determined hazard rating is at or less than an acceptable level; and enabling the mobile terminal MT (111) to operate in a limited functionality mode if the determined hazard rating is above the acceptable level.
