

FIG. 1A

| Patent Compound No. | Structure |
|---------------------|-----------|
| 106                 |           |
| 110                 |           |
| 248                 |           |
| 261                 |           |
| 262                 |           |
| 264                 |           |
| 265                 |           |
| 267                 |           |

FIG. 1B

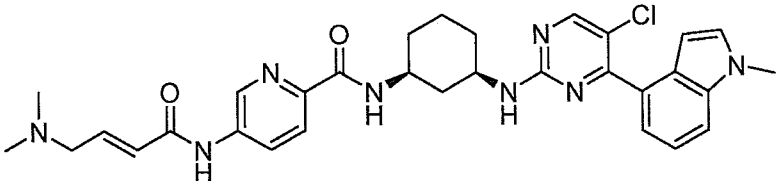

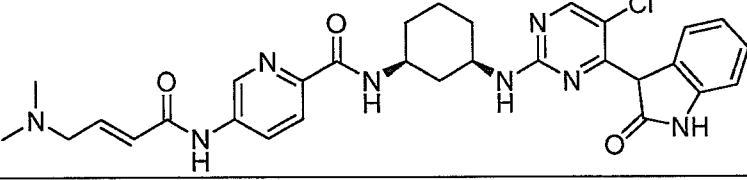

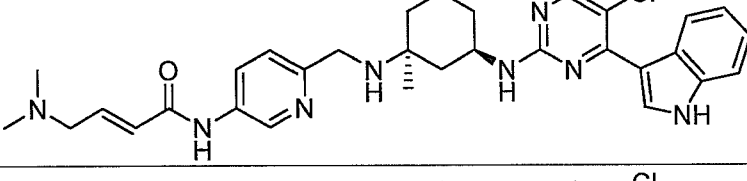

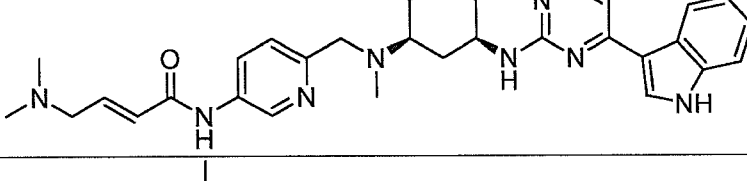

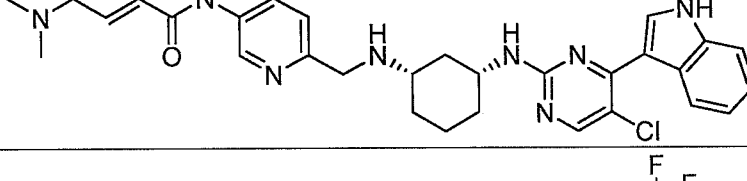

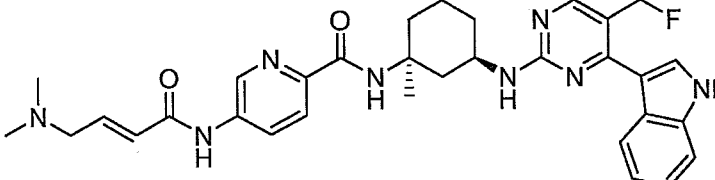

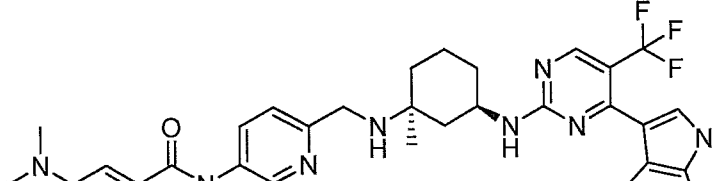

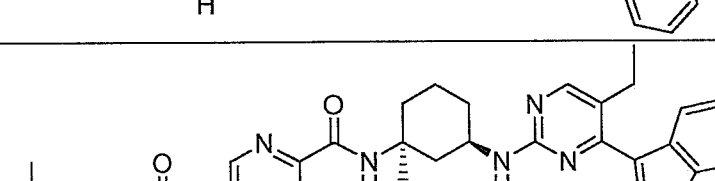

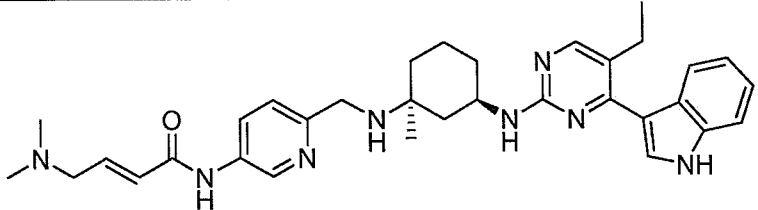

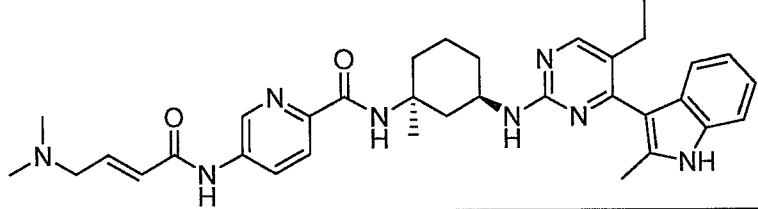

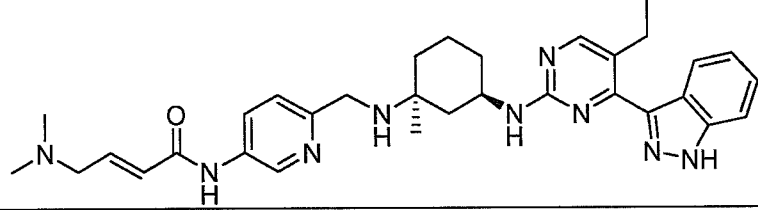

|     |                                                                                      |
|-----|--------------------------------------------------------------------------------------|
| 269 |    |
| 282 |    |
| 294 |    |
| 377 |   |
| 390 |  |
| 399 |  |
| 403 |  |
| 407 |  |

FIG. 1C

|     |                                                                                    |
|-----|------------------------------------------------------------------------------------|
| 411 |  |
| 412 |  |
| 413 |  |
