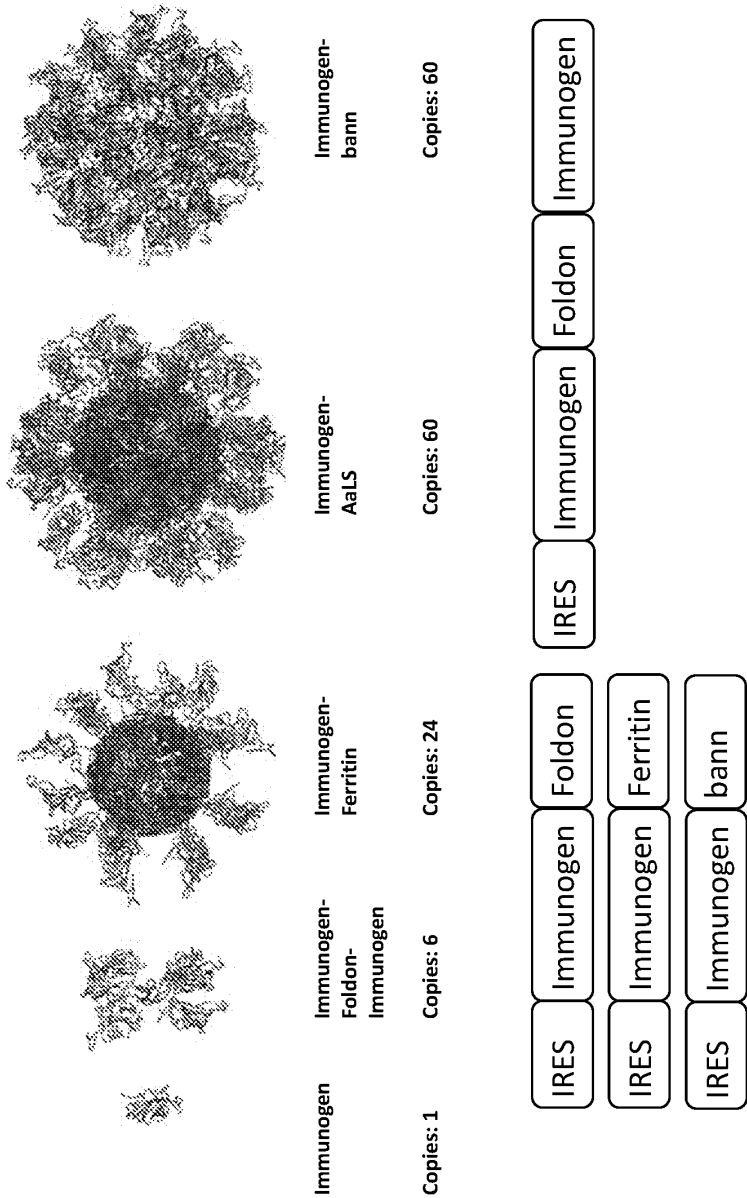

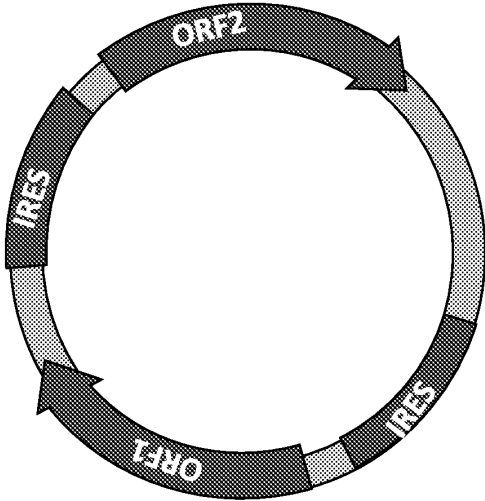

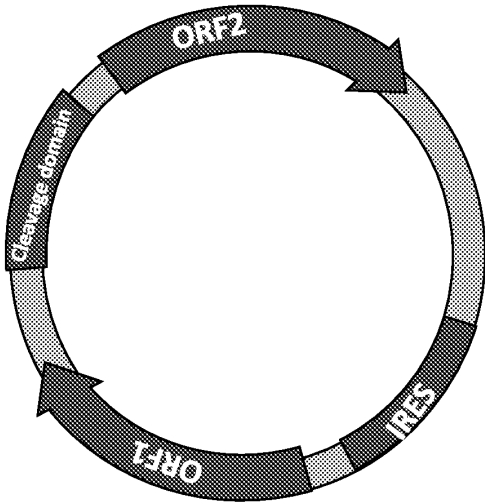

FIG. 2

Example	ORF1	ORF2
A	Immunogen optionally fused to a multimerization domain	Immunogen optionally fused to a multimerization domain
B	Immunogen optionally fused to a multimerization domain	Polypeptide adjuvant

FIG. 3

Example	ORF1	Cleavage Site	ORF2
A	Immunogen optionally fused to a multimerization domain	2A, furin, or furin-2A	Immunogen optionally fused to a multimerization domain
B	Immunogen optionally fused to a multimerization domain	2A, furin, or furin-2A	Polypeptide adjuvant

FIG. 4

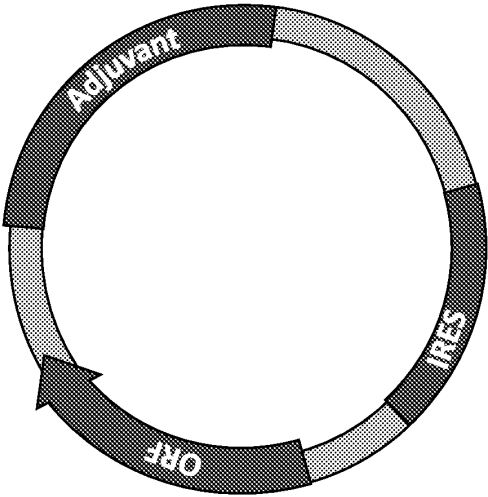

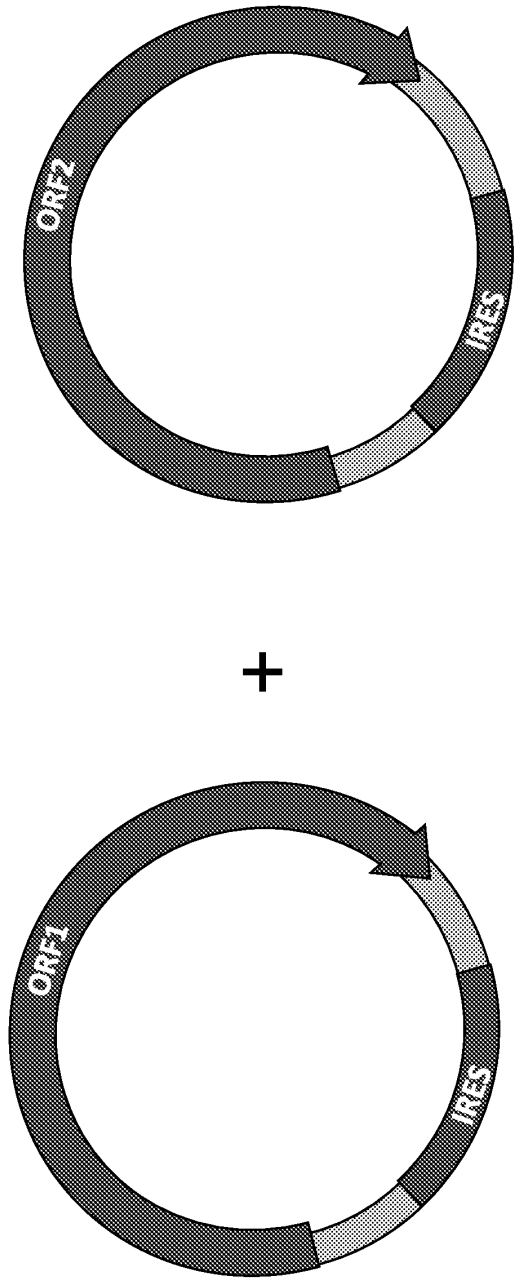

FIG. 5

Example	ORF1	ORF2
A	Immunogen optionally fused to a multimerization domain	Immunogen optionally fused to a multimerization domain
B	Immunogen optionally fused to a multimerization domain	Polypeptide adjuvant
