(54) Title: A PRINTER FOR A DRIVE BAY ✓

(57) Abstract

A printer (10) housed in an accessible drive bay of a computer. The computer including media access (12) for inserting media to be printed into the printer, a communication link for receiving image data, a printhead for printing on the media, and means for mounting the printer in the bay. Also, a personal computer includes a housing, an accessible drive bay in the housing, a central processing unit, memory, a data retrieval and storage device, at least one connection for an input/output device, a power supply, and a printer, wherein the printer is housed within the drive bay.
