Re: 307557.22SG; Direct Filing of a New Patent Application in Singapore  
Title: Grid Canvas  
Applicant: Microsoft Corporation; Billing Reference No. 22520

Dear Ms. Haq:

**Please complete the filing of the above referenced application by the Paris Convention Period deadline of March 31, 2005. Following Microsoft procedure, please file the application no sooner than two months and no later than one month before the deadline. This application claims the benefit of priority to a US non-provisional patent application no. 10/815067 filed on March 31, 2004.**

Attached is the sheet of particulars, which includes the application document (in Word and TIF format) and drawings (in Visio and TIF format) (note that I will not be sending hard copies of these documents). We will also be sending a copy of this letter by courier in the near future, together with the following:

- A copy of the Sheet of Particulars; and
- A copy of the Assignment.

Please do a brief pre-filing review of this patent application to ensure compliance with
