

Figure 1

A - A schematic representation of the hMPV precursor polypeptide, F0.

B - A schematic representation of the PIV1 precursor polypeptide

C - A schematic representation of the PIV3 precursor polypeptide, F0

Figure 2

A- A schematic representation of the hMPV-F modRNA.

B- A schematic representation of the PIV3-F modRNA.

C- A schematic representation of the PIV1-F modRNA.
