[図5]

This exploded perspective view illustrates the assembly of a vehicle headlight. The main components are labeled as follows:

- 1**: The main headlight housing, shown in an exploded position relative to the lens.
- 4**: The lens or cover glass, shown in an exploded position relative to the housing.
- 11a, 11b, 12a, 12b**: Mounting points or features on the housing.
- 13a, 13b, 14, 15a, 15b, 16a, 16b, 17, 18, 19, 20**: Components of the lens assembly, including a gasket (14), a lens element (15a/15b), a frame (16a/16b), and mounting hardware (17-20).
- 21**: A central shaft or pin.
- 22**: A flange or mounting plate.
- 23**: A base or support structure.
- 24**: A mounting bracket or arm.
- 25a, 25b**: Mounting points on the base.
- 26a, 26b**: A series of stacked rings or spacers.
- 28**: A circular component, possibly a reflector or lens element.
- 29a, 29b, 30a, 30b, 31, 33, 34**: Various mounting and adjustment components at the base of the assembly.

Directional arrows indicate the assembly sequence or orientation: (前) (Front), (後) (Rear), (右) (Right), and (左) (Left).
